Dear Ms. McCauley:

Columbus Southern Power Company (CSP) and Ohio Power Company (OPCO), collectively known as AEP Ohio, hereby submit the following eight pieces of testimony in support of the September 7, 2011 Stipulation and Recommendation (Stipulation) filed in the above-captioned cases:

Joseph Hamrock, President and Chief Operating Officer of AEP Ohio  
Richard E. Munczinski, Senior Vice President, AEPSC  
Laura J. Thomas, Managing Director, AEPSC  
William A. Allen, Director, AEPSC  
David M. Roush, Director, AEPSC  
Peggy I. Simmons, Manager, AEPSC  
Kelly D. Pearce, Director, AEPSC  
Dr. Chantale LaCasse, Senior Vice President, NERA Economic Consulting

Please note that all of the above-captioned cases are the subject of a pending motion to consolidate for purposes of considering adoption of the Stipulation. Pursuant to the Attorney Examiners' direction during the September 7, 2011 hearing, this testimony is being electronically filed and served on all of the parties in the above-captioned cases.

Please note the following with respect to the testimony of Peggy I. Simmons. Because Ms. Simmons is adopting certain voluminous exhibits previously filed under seal as being CONFIDENTIAL in Case Nos. 11-346-EL-SSO and 11-348-EL-SSO (accompanied by a motion for protective agreement), in connection with

the testimony of Jay F. Godfrey on January 27, 2011. Because those exhibits (JFG-2B, JFG-3B and JFG-4B) are voluminous and were previously filed under seal as CONFIDENTIAL documents and served at that time on each of parties to those cases that executed a protective agreement, Ms. Simmons' testimony being filed today will only include the public versions of those exhibits. Any party to the above-captioned cases that does not have those documents and wishes to obtain the CONFIDENTIAL Exhibits JFG-2B, JFG-3B and JFG-4B should contact the undersigned to make arrangements.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Betty McCauley", written in a cursive style.
