By this filing, Applicant complies with the Commission's January 19, 2011 Entry in Case No. 10-1010-TP-ORD, directing Companies to make changes to their tariffs in accordance with Section 4927.15, Revised Code and Rule 4901:1-6-11, Ohio Administrative Code.

Applicant is a non-facilities-based provider of interexchange services. On May 3, 2008, Applicant submitted its request for detariffing of Tier II services in Case No. 08-0567-TP-ATA. By the instant Application, Applicant requests that the entirety of its remaining interexchange tariff be subject to detariffing, with the exception of its Primary Interexchange Carrier change charge, now incorporated into Original Sheet No. 2 of its replacement tariff, P.U.C.O Tariff No. 2. Applicant does not provide any services in Ohio that remain subject to tariffing pursuant to Rule 4901:1-6-11, Ohio Administrative Code.

<u>Page(s)</u>	<u>Section</u>	<u>Remarks</u>
1 to 34	All	Detariffed, less the Primary Interexchange Carrier change charge now incorporated into P.U.C.O. Tariff No. 2, attached.

Exhibit D

One-time customer notice of detariffing and related changes consistent with rule 4901:1-06-07

On May 3, 2008, Applicant submitted its request for detariffing of Tier II services in Case No. 08-0567-TP-ATA. Through this detariffing proceeding, Applicant detariffed the entirety of its services to commercial subscribers and provided corresponding customer notice at that time. The Company's remaining tariff contained no service information, accordingly.

In light of the fact that the instant detariffing application is intended exclusively to comply with the Commission's additional detariffing requirements following enactment of Substitute Senate Bill 162 and corresponding amendments to Rule 4901:1-6-11, Ohio Administrative Code, and that the Company has already complied with the Commission's prior detariffing Entry, and there are no changes in the Company's retail offerings, there is no additional need to advise customers of the instant detariffing action. No corresponding Customer Notice Affidavit is attached, accordingly.

TARIFF FORMAT

- A. **Sheet Numbering** – Sheet numbers appear in the upper right corner of the sheet. Sheets are numbered sequentially. However, occasionally, when a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. **Sheet Revision Numbers** – Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th revised Sheet 14 cancels the 3rd Revised Sheet 14. Because of various suspension periods, deferrals, etc. the Commission follows in their tariff approval process, the most current sheet number on file with the Commission is not always the sheet in effect. Consult the Check Sheet for the sheet currently in effect.
- C. **Paragraph Numbering Sequence** – There are four levels of paragraph coding. Each level of code is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.1.
- D. **Check Sheets** – When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff with a cross-reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The Tariff user should refer to the latest Check Sheet to find if a particular sheet is the most current on file with the Commission.

APPLICATION OF TARIFF

- A. This Tariff contains the descriptions, regulations and rates applicable to the furnishing of resold intraLATA and interLATA Toll Services within the State of Ohio by America Net, LLC. Company's Service as set forth herein is provided exclusively in conjunction with Company's presubscribed interstate interexchange services, and is not otherwise available.
- B. This Tariff is on file with the Public Utilities Commission of Ohio ("Commission") and is in concurrence with all applicable state and federal laws and with the Commission's applicable Rules and Regulations and Orders. The rates, rules, terms and conditions contained herein are subject to change pursuant to the rules and regulations of the Commission.
- C. The rates and regulations contained in this Tariff apply only to the intrastate telecommunications Services furnished by Company and do not apply, unless otherwise specified, to the lines, facilities, or the services provided by a Local Exchange Carrier or other common Carrier for use in accessing the Services of Company. This Tariff does not cover any information service or other unregulated service offered by Company. Company will offer any information or other unregulated service in accordance with Company's current price list or contract, whichever applies to the particular customer.
- D. Company may not be deemed to have waived or impaired any right, power, requirement or option reserved by this Tariff (including, but not limited to, the right to demand exact compliance with every term and condition herein), by virtue of any custom or practice of Company at variance with the terms hereof, or any failure, refusal or neglect of Company to exercise any right under this Tariff or to insist upon exact compliance with its terms, or any waiver, forbearance, delay, failure or omission by Company to exercise any right, power or option hereunder.
- E. This tariff will be maintained and made available for inspection by any Customer at Company's principal business office at 3580 Wilshire Boulevard, 17th Floor, Los Angeles, CA 90010.
- F. **All telephone companies are subject to the Commission's rule for minimum telephone service standards (MTSS) found in Chapter 4901:1-5 of the Administrative Code. Telephone company tariffs should inform customers that they have certain rights and responsibilities under the MTSS and that these safeguards can be found in the appendix to rule 4901:1-5-03 of the Administrative Code. These rights and responsibilities include complaint handling, ordering or changing service, service repair, payment of bills, and disconnection and reconnection of service.**
- G. Pursuant to Chapter 49 of the Ohio Revised Code, all services furnished by the Company pursuant to this Tariff are classified as Tier II competitive interexchange services
