RE: Letter in Support of Black Fork Wind Project (10-2865-EL-BGN)

Dear Members of the OPSB Staff,

I am writing this in support
of the Black Fork Wind Project. This
will be beneficial to our county as well
as our schools with the tax revenue this
will generate.

My sons are the 5th generation ~~born~~ of
our family to live on our farm and if I felt in
anyway that this would keep future generations from
living here, I would oppose it. That is not the
case. I fully support it.

Sincerely,

Monica Finney
