| 1  | On behalf of staff.                                   |

| 2  | MR. BEELER: Thank you, your Honor. On                 |
| 3  | behalf of the staff of the Public Utilities           |
| 4  | Commission of Ohio, Ohio Attorney General Michael     |
| 5  | DeWine, William Wright, Section Chief, Public         |
| 6  | Utilities Section, Steven Beeler, Assistant Attorney  |
| 7  | General, 180 East Broad Street, Columbus, Ohio 43215. |
| 8  | THE EXAMINER: Thank you. I would also                 |
| 9  | like the record to reflect there are no members of    |
| 10 | the public to testify.                                |
| 11 | Mr. Howard, I understand the parties have             |
| 12 | agreed to a stipulation?                              |
| 13 | MR. HOWARD: That is correct, your Honor.              |
| 14 | We, I think, would like to tender some exhibits for   |
| 15 | the Commission's consideration, and if I may, I       |
| 16 | presented to you and to the court reporter a          |
| 17 | three-page document entitled Glenwood Exhibit No. 1.  |
| 18 | This indicates that notice of the hearing was sent to |
| 19 | all customers by a bill insert on or about August 2,  |
| 20 | 2011. And we would ask that that be marked and        |
| 21 | admitted into evidence as Glenwood Exhibit No. 1.     |
| 22 | THE EXAMINER: It will be so marked.                   |
| 23 | (EXHIBIT MARKED FOR IDENTIFICATION.)                  |
| 24 | THE EXAMINER: Do you have any objection?              |
| 25 | MR. BEELER: No, your Honor.                           |
|    |   |

6 THE EXAMINER: It will also be admitted. 1 (EXHIBIT ADMITTED INTO EVIDENCE.) 2 3 MR. BEELER: And on behalf of staff to 4 support the stipulation the staff would call Roger 5 Sarver. 6 THE EXAMINER: You may proceed. 7 (Witness sworn.) 8 MR. BEELER: Thank you, your Honor. 9 10 ROGER L. SARVER 11 being first duly sworn, as prescribed by law, was 12 examined and testified as follows: 13 DIRECT EXAMINATION 14 By Mr. Beeler: 15 Would you please state your name and Q. 16 business address for the record. 17 Α. My name is Roger L. Sarver. My business address is 180 East Broad Street, Columbus, Ohio 18 19 43215. 20 By whom are you employed and in what Q. 21 capacity? 2.2 Α. I am employed by the Public Utilities Commission of Ohio, and I am an energy specialist. 23 24 0. Briefly describe your educational 25 background and work experience.

| 1  | A. I have a Bachelor's degree in accounting           |
|----|---|
| 2  | and a Master's in business administration.            |
| 3  | Q. And some of your work experience, please.          |
| 4  | A. I have been with the Public Utilities              |
| 5  | since 1988, working in the GCR section since about    |
| 6  | 1990 so about 21 years of experience as it relates to |
| 7  | the gas cost recovery mechanism.                      |
| 8  | Q. Thanks. You have previously testified              |
| 9  | before the Commission?                                |
| 10 | A. Yes, numerous times.                               |
| 11 | Q. Okay. What's the purpose of your                   |
| 12 | testimony in this proceeding?                         |
| 13 | A. The purpose of my testimony in this                |
| 14 | proceeding is to support the Stipulation and          |
| 15 | Recommendation filed in this proceeding on August 22, |
| 16 | 2011. In my opinion this stipulation represents a     |
| 17 | fair and reasonable compromise of the issues in this  |
| 18 | proceeding. It is my recommendation that it should    |
| 19 | be adopted and approved by the Commission.            |
| 20 | Q. Okay. You have in front of you and I               |
| 21 | think all the parties and the Examiner have in front  |
| 22 | of them some documents.                               |
| 23 | A. Yes, sir.  |
| 24 | MR. BEELER: And I guess for the record I              |
| 25 | would like to have marked Joint Exhibit 1, the        |
|    |   |

| 1  | Stipulation and Recommendation filed on August 22;   |
|----|--|
| 2  | the Staff Exhibit 1 which is the GCR report filed on |
| 3  | June 29; and Staff Exhibit 2 which is the UEX report |
| 4  | filed on June 30. I would like to have those marked  |
| 5  | for the record.                                      |
| 6  | THE EXAMINER: They will be so marked.                |
| 7  | (EXHIBITS MARKED FOR IDENTIFICATION.)                |
| 8  | Q. Mr. Sarver, please describe the three             |
| 9  | exhibits I just mentioned.                           |
| 10 | A. The three documents. The Joint Exhibit 1          |
| 11 | is the Stipulation and Recommendation that was filed |
| 12 | here on August 22. Staff Exhibit 1 is the gas cost   |
| 13 | recovery audit. Staff Exhibit 2 is the unaccounted   |
| 14 | for expense rider audit.                             |
| 15 | Q. Okay. Are the reports, the GCR and the            |
| 16 | UEX, Staff Exhibits 1 and 2, are those the reports   |
| 17 | that are referred to in Joint Exhibit 1?             |
| 18 | A. Yes.  |
| 19 | Q. Just turning your attention to Joint              |
| 20 | Exhibit 1, the Stipulation and Recommendation, can   |
| 21 | you just please briefly describe the stipulation.    |
| 22 | A. Okay. The stipulation is a comprehensive          |
| 23 | settlement of the issues in Case No. 11-210-GA-GCR   |
| 24 | and Case No. 11-310-GA-UEX and the stipulation       |
| 25 | Glenwood Energy of Oxford and staff agree that the   |
|    |  |

1 stipulation represents an overall compromise and 2 resolution of the issues raised in the proceedings. 3 In the GCR proceeding Glenwood accurately calculated 4 their GCR for the audit period in accordance with the 5 provisions of the Ohio Administrative Code 4901:1-14. 6 Glenwood billed transportation -- and this is a recommendation here that came out of the audit 7 8 report, that Glenwood bill the transportation 9 customer who is currently without a supplier the GCR 10 rate until which time the transporter finds a new 11 supplier. 12 The second recommendation coming out of

13 the GCR audit report was that the auditor in 14 Glenwood's 2013 GCR audit verified that the proceeds 15 of any transportation customers cash out were 16 properly credited to the company's GCR.

And the final recommendation coming out of the GCR audit report the difference between the company and staff calculations of the actual adjustments are not self-correcting through the GCR mechanism and, therefore, a reconciliation adjustment of \$37,634 in the customer favor has been recommended.

24The final item is the recommendations25coming out of the UEX audit report. The first

ARMSTRONG & OKEY, INC., Columbus, Ohio (614) 224-9481

recommendation is Glenwood adjust its 2010 ending bad 1 debt write-off balance to \$102,911.75. 2 The second recommendation is that the 3 ending balance of 102,911 be the starting point for 4 5 calendar year 2011 and incorporate this amount in 6 calculating future UEX rider cost. 7 And the third recommendation Glenwood 8 receive Commission approval prior to any changes of 9 UEX rates. 10 Thank you. Based on your experience with Q. 11 other settlements reached in proceedings before this 12 Commission, does this stipulation satisfy the 13 Commission's criteria for evaluating the 14 reasonableness of the stipulation? 15 Yes. I believe the stipulation satisfies Α. 16 each of the Commission's criteria for evaluating the 17 reasonableness of the stipulation. The stipulation was a result of serious bargaining among capable, 18 19 knowledgeable parties. The stipulation benefits 20 ratepayers and the public interest. And the 21 stipulation does not violate any important regulatory 2.2 principles or practices. 23 Okay. As far as that three-part test, Ο. 24 let's walk through it here. Do you believe that the 25 stipulation filed in this case is a product of

| 1  | bargaining among knowledgeable parties and how?       |
|----|---|
| 2  | A. Yes. The stipulation is a product of a             |
| 3  | process in which all the parties were represented by  |
| 4  | experienced counsel, technical experts that have      |
| 5  | participated in numerous regulatory proceedings       |
| 6  | before the Commission. There were negotiations among  |
| 7  | the parties and the stipulation represents a          |
| 8  | comprehensible compromise of the issues raised by the |
| 9  | parties with diverse interests.                       |
| 10 | Q. Were all the parties were the two                  |
| 11 | parties in this case included in the negotiations     |
| 12 | that resulted in the stipulation?                     |
| 13 | A. Yes.   |
| 14 | Q. Who were the parties?                              |
| 15 | A. The parties to the stipulation were                |
| 16 | Glenwood and staff.                                   |
| 17 | Q. Okay. And in your opinion does the                 |
| 18 | stipulation benefit ratepayers and the public         |
| 19 | interest now?   |
| 20 | A. Yes. The issues raised in this case                |
| 21 | were or these cases were relatively minor and         |
| 22 | technical in nature and hadn't had moderate sums of   |
| 23 | money associated with them. Settlement of the issues  |
| 24 | avoided a hearing and enabled Glenwood to begin       |
| 25 | refunding the overcollection of customers to          |
|    |   |

overcollection to the customers. The benefit to the 1 2 customers was to ensure that they paid the appropriate level of costs, therefore, the refunding 3 4 of over -- refunding of over \$37,000. 5 Okay. In your opinion does the Q. 6 stipulation violate any reg -- any important 7 regulatory principles or practices? 8 Α. No, sir. 9 Are you recommending that the Commission Q. 10 approve this stipulation? 11 I believe the stipulation Yes. Α. 12 represents a fair and balanced and reasonable 13 compromise of diverse interests, provides a fair 14 result to customers. We believe the stipulation 15 meets all the Commission criteria for adoption of the 16 settlement, and the Commission should issue an order approving this settlement. 17 18 Is there anything else that you find Q. 19 important to note for this case? 20 No, sir. Α. 21 MR. BEELER: That is all, subject to 2.2 cross-examination. 23 THE EXAMINER: Mr. Howard, any questions? 24 MR. HOWARD: No questions, your Honor. 25 Thank you.

THE EXAMINER: I have no questions so you 1 2 are excused. Thank you. 3 MR. BEELER: At this time, your Honor, staff would like to move for admittance of Joint 4 5 Exhibit 1, Stipulation and Recommendation; Staff Exhibit 1, the GCR report; and Staff Exhibit 2, the 6 7 UEX report. 8 THE EXAMINER: Mr. Howard, any objection? 9 MR. HOWARD: No objection, your Honor. 10 THE EXAMINER: Joint Exhibit 1, Staff 11 Exhibit 1, and Staff Exhibit 2 will be admitted. 12 (EXHIBITS ADMITTED INTO EVIDENCE.) 13 THE EXAMINER: Is there anything else to come before us today? 14 15 MR. HOWARD: No, your Honor. 16 THE EXAMINER: Hearing none, we are 17 adjourned. Thank you. 18 (Thereupon, the hearing was concluded at 19 10:12 a.m.) 20 21 2.2 23 24 25
