MEMORANDUM IN SUPPORT

This proceeding was initiated on October 21, 2010 by the filing of a complaint against IGS ("Complaint"). On June 16, 2011, the Attorney Examiner issued an Entry with a procedural schedule setting, *inter alia*, the deadline for the filing of stipulations of facts, and direct expert and nonexpert testimony by the parties for September 27, 2011, and the date of the Hearing for October 4, 2011.

IGS, the OCC, the Ohio Farm Bureau and NOPEC are currently engaged in settlement negotiations in this case.¹ In light of the possibility of the Parties resolving this case without the need for protracted litigation, the Parties have agreed to terms extending the procedural schedule. Accordingly, the Parties respectfully request an extension of the procedural schedule, as follows:

- (a) November 1, 2011 – New deadline for the filing of stipulations of facts, and direct expert and nonexpert testimony by the Parties;
- (b) November 7, 2011 – The hearing will commence at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, Columbus, Ohio 43215.

Co-complainant Stand Energy has indicated to counsel for IGS that it does not object to the proposed Motion.

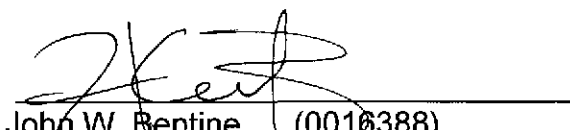

Because the current schedule requires the filing of stipulations of facts, and direct expert and nonexpert testimony by the parties by September 27, 2011, the Parties request that the Commission issue an expedited ruling on this motion.

¹ Stand Energy Corporation ("Stand Energy"), a co-complainant in this case, has not participated in settlement negotiations at this stage and is not a signatory to this Joint Motion.

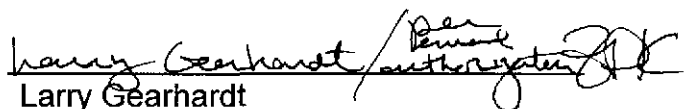

Respectfully Submitted,

 *per email authorization*
