**MEMORANDUM IN SUPPORT OF  
JOINT MOTION TO CONTINUE SETTLEMENT CONFERENCE**

In her September 28, 2011 Entry, the Attorney Examiner ordered the Parties to attend a settlement conference on September 30, 2011 at 1:00 pm. In accordance with the Commission's rules, a party's motion for a continuance "may be granted...for good cause shown." Ohio Adm. Code 4901-1-13(A). Here, the Parties represent that good cause exists to grant this Motion. Daniel K. Ellison, one of the Complainants, started a new job today, September 29, and would be unable to take off work on short notice to attend the settlement conference in Columbus. Respondent's counsel also has a scheduling conflict, a preliminary injunction hearing tomorrow morning in Youngstown, that arose this morning. In lieu of meeting tomorrow, the Parties proposed rescheduling the settlement conference for any day the week of October 17 through 21 at 1:30 pm. Therefore, because both parties agree that attending tomorrow's settlement conference conflicts with their schedules, good cause exists for granting the requested continuance.

WHEREFORE, the Parties respectfully request that the Commission grant a continuance of the settlement conference scheduled for September 30, 2011.

Respectfully submitted,

**DANIEL K. ELLISON  
KIMBERLY D. ELLISON**
