Part or all of a payment required before the start of service.

Authorized User

A person, firm or corporation which is authorized by the customer or joint user to be connected to the service of the customer or joint user, respectively.

Company

Fiber Technologies Networks, L.L.C., the issuer of this Tariff unless the context clearly indicates otherwise.

Customer

The person, firm or corporation which orders service and is responsible for the payment of charges and compliance with the Company's regulations.

(D)

|

(D)

Dedicated

A facility or equipment system or subsystem set aside for the sole use of a specific customer.

Commission

The Ohio Public Utilities Commission.

2. DEFINITIONS (Cont'd)

End User or User

Any person or entity that obtains the Company's services provided under this Tariff, regardless of whether such person or entity is so authorized by the Customer.

Individual Case Basis

A service arrangement in which the regulation, rates and charges are developed based on the specific circumstances of the case.

Intrastate Service

Provides for a two-point communications path between a Customer's premises or a collocated interconnection location and an end user's premises for originating and terminating the transmission of intelligence within the state.

(T)

(C)

LATA

A Local Access and Transport Area established pursuant to the Modification of Final Judgment entered by the United States District Court for the District of Columbia in Civil Action No. 82-0192; or any other geographic area designated as a LATA in the NATIONAL EXCHANGE CARRIER ASSOCIATION, Inc. 2. DEFINITIONS (Cont'd)**Service Commencement Date**

The first date on which the Company notifies the Customer that the requested service or facility is available for use, unless extended by the Customer's refusal to accept service which does not conform to standards set forth in the Service Order or this Tariff, in which case the Service Commencement Date is the date of the Customer's acceptance. The Company and the Customer may mutually agree on a substitute Service Commencement Date. If the Company does not have an executed Service Order from a Customer, the Service Commencement Date will be the first date on which the service or facility was used by a Customer.

Service Order

The written request for dedicated services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this Tariff, but the duration of the service is calculated from the Service Commencement Date. Should a Customer use the Company's dedicated service without an executed Service Order, the Company will then request the Customer to submit a Service Order.

Shared

A facility or equipment system or subsystem that can be used simultaneously by several Customers.

User

A customer, joint user, or any other person authorized by a customer to use service provided under this Tariff.

4.2 Prohibited Uses

- 4.2.1 The services the Company offers shall not be used for any unlawful purpose or for any use for which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
- 4.2.2 The Company may require applicants for service who intend to use the Company's offering for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offering complies with relevant laws and regulations, policies, orders, and decisions.
- 4.2.3 The Company may require a Customer to immediately shut down its transmission if such transmission is causing interference to others.
- 4.2.4 A Customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the written consent of the Company. The Company will permit a Customer to transfer its existing service to another entity if the existing Customer has paid all charges owed to the Company for regulated Telecommunications Services. Such a transfer will be treated as a disconnection of existing service and installation of new service, and non-recurring installation charges as stated in this Tariff will apply.

In general, the advance payment will not exceed an amount equal to the non-recurring charge(s) for special construction for the service or facility. The advance payment will be credited to the Customer's initial bill.

4.5.2 Deposits

- A) In accordance to MTSS, the Company may require a Customer to establish financial responsibility as a condition precedent to establishing service. To determine financial responsibility, Company may rely on pertinent information obtained from credit reporting bureaus. Customer will be given the opportunity to establish financial responsibility through every means available for doing so as provided in the Administrative Code of Ohio law. (T)
- B) To safeguard its interests, the Company may require the Customer to make a deposit to be held as a guarantee for the payment of charges. (T)
- C) Pursuant to MTSS, a Customer may be deemed creditworthy and will not be required to make a deposit as a precondition for receiving service if Customer furnishes a written guarantee signed by a third-party guarantor who has credit. (T)

4.5.2 Deposits (Cont'd)

D) A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. In accordance to MTSS the deposit will not exceed an amount equal to:

(T)

1) two hundred and thirty percent (230%) of the actual or estimated monthly charge for a service or facility which has a minimum payment period of one month.

E) A deposit may be required in addition to an Advance Payment.

F) When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded. Before the service or facility is discontinued, the Company may, at its option, return the deposit or credit it to the Customer's account. If the amount of the deposit is insufficient to cover the balance due to the Customer's account, the Company retains the right to collect any amounts owing after the deposit has been applied plus any costs related to the collection of any remaining balance.

G) Deposits held will accrue interest at a rate specified by the Commission without deductions for any taxes on such deposits. Interest will not accrue on any deposit after the date on which reasonable effort has been made to return it to the Customer.

4. REGULATIONS (Cont'd)4.6 Payment Arrangements4.6.1 Payment for Service

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer.

A) Taxes

The Customer is responsible for the payment of all state local and 9-1-1 taxes, surcharges, utility fees, or other similar fees for which the end user is directly responsible and that may be levied by a governing body or bodies in conjunction with or as a result of service furnished under a tariff on file with the Public Utilities Commission of Ohio. These charges may appear as separate line items on the Customer's bill, as opposed to being included in the rates contained in a tariff. Any such line item charges will be reflected in the Company's tariff. The Company shall not assess separately any taxes, fees or surcharges, other than government-approved sales taxes imposed directly on the end users, without seeking Commission approval under the appropriate local competition procedures required by the Commission. The Company shall comply with Commission procedures by sending notice to all Customers informing them of the new line item charge.

4.6.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company. The Company's bills and billing practices will comply with MTSS.

- (T)
- A) Non-recurring charges are due and payable within thirty (30) days after the date of the invoice.
- B) The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which service is provided, and Recurring Charges shall be due and payable within thirty (30) days after the date of the invoice. When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.

4.6.3 Billing Disputes

A) General

All bills are presumed accurate, and shall be binding on the Customer unless notice of the disputed charge(s) is received by the Company. For the purposes of this section, "notice" is defined as written notice to the Company, containing sufficient documentation to investigate the dispute, including the account number under which the bill has been rendered, the date of the bill, and the specific items on the bill being disputed.

B) Late Payment Charge

- 1) The undisputed portions of the bill must be paid by the payment due date to avoid assessment of a late payment charge on the undisputed amount as provided in this Tariff.
- 2) In the event that a billing dispute is resolved by the Company in favor of the Customer, any disputed amount withheld pending resolution of the billing dispute shall not be subject to the late payment charge.
- 3) In the event that a billing dispute is resolved in favor of the Company, the Customer shall pay the late payment charge.

4.6.6 Customer Overpayment

The Company will pay interest on a Customer overpayment. Customer overpayment shall mean a payment to the Company in excess of the correct charges for service when caused by erroneous billing by the Company. The rate of interest shall be the unadjusted interest rate paid on Customer deposits or the late payment penalty rate, whichever is greater. Interest shall be paid from the date when the Customer overpayment was made, adjusted for any changes in the deposit interest rate or late payment penalty rate, and compounded monthly, until the date when the overpayment is refunded. No interest shall be paid on Customer overpayments that are refunded within thirty (30) days after such overpayment is received by the Company.

4.6.7 Cancellation of Application for Service

When a Customer cancels an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below:

Where the Company has notified a Customer or prospective Customer of the possibility that special expenses may be incurred in connection with provisioning their service, and then the Company does incur such expenses. Expenses could include special construction, or where special arrangements of facilities or equipment have begun before the Company received a cancellation notice. The charge will be equal to the costs actually incurred, less net salvage.

Customer provided terminating equipment such as CSUs, multiplexers, and other terminating equipment may, at the Customer's request, be provided by the Customer, at the Customer's expense. Company makes no guarantees or warranties as to the performance of Customer provided equipment.

5.4 Rate Categories

There are six rate categories that may apply to Company's Services.

5.4.1 Channel Terminations

The Channel Termination Rate Category provides for the communications path between a Customer designated premises, and another Customer designated premises. Included as part of the Channel Termination is a standard channel interface arrangement which defines the technical characteristics associated with the type of facilities to which the Company's service is to be connected, and the type of signaling capability (if any). One channel Termination charge applies per Customer designated premises at which the service is terminated.

5.4.2 Channel Mileage

The Channel Mileage Rate Category provides for the transmission facilities between two or more Customer designated premises. The Channel Mileage Rate Category is not applied to services that are less than one V&H computed mile, unless specified. Channel Mileage Rates are comprised of a Fixed Mileage Rate, applied to the first mile, and a Per Mile Rate Element, applied for each mile.

5. SERVICE DESCRIPTIONS AND TECHNICAL STANDARDS (Cont'd)5.4 Rate Categories (Cont'd)5.4.3 Optional Features and Functions

The Optional Features and Functions Rate Category provides for optional services which may be added to a Company's service to improve its quality or characteristics to meet specific communications requirements. These services are not necessarily identifiable with specific equipment, but rather represent the end result in terms of performance characteristics which may be obtained. These characteristics may be derived using various combinations of equipment.

5.4.4 Extraordinary Charges

From time to time, customers may request special services not addressed specifically by rate elements in this Tariff, or services to locations that may cause Company to incur extraordinary expenses not contemplated in the provision of standard service offerings. These costs include, but are not limited to:

- Additional construction costs
- Building space rental or rights-of-way costs
- Additional equipment
- Special facilities routing

In these cases, the Customer will be billed additional charges computed on an Individual Case Basis. To the extent required, special services not addressed in this Tariff shall be approved by the Commission prior to the provision of such service.

5. SERVICE DESCRIPTIONS AND TECHNICAL STANDARDS (Cont'd)5.7 Contract Rates - Special Pricing Arrangements-ICB

5.7.1 Special Pricing Arrangements: In lieu of the rates otherwise set forth in this Tariff, rates and charges, including minimum usage, installation, special construction and recurring charges for Company's services may be established at negotiated rates on an Individual Case Basis, taking into account the nature of the facilities and services, the costs of construction and operation, the volume of traffic, the length of service commitment by the Customer, and use of facilities by other customers. Such arrangements shall be considered Special Pricing Arrangements, the terms of which will be set forth in individual Customer contracts. However, unless otherwise specified, the terms, conditions, obligation and regulation set forth in this Tariff shall be incorporated into, and become a part of, said contract, and shall be binding on Company and Customer. Specialized rates or charges will be made available to similarly situated customers on a non-discriminatory basis. All special Pricing Arrangements, including ICB, shall be filed with the Commission.

(T)

5.7.2 Other Rates or Charges: In addition to any rate or charge established by the Company, the Customer will also be responsible for any recurring or non-recurring charges imposed by local exchange telephone companies incurred by or on behalf of the Customer in establishing and maintaining service. Such charges may be billed by the Company or directly by the local exchange company, at the Company's option.

5.8 Back Billing

Company shall be entitled to revise bills previously rendered to adjust for previously rendered unbilled service, or adjust upward a bill previously rendered, assuming that the Customer was aware of the unbilled services during the period the services were unbilled, for a period of six years after the service was rendered.

5.9 Taxes

5.9.1 Sales, Use and Excise Taxes

In addition to all recurring, non-recurring, usage or special charges, Customer shall also be responsible for and shall pay all applicable federal, state and local sales, use and excise taxes.

5.10 Temporary Promotional Programs

The Company may establish temporary promotional programs, wherein it may waive or reduce recurring or non-recurring charges, to introduce a present or potential Customer to a service not previously received by the Customer. The terms of promotional programs will be filed with the Commission subject to the requirements of applicable law, except if the promotion is to reduce rates.
