To Whom It May Concern:

I am writing to voice my opinion on Ohio American Water's request for a rate increase. I think you should deny the request for the percentage of increase that they requested. They need to ask for a reasonable percentage, such as a one percentage increase. I am sure most of their customers, are like us, they are not receiving a pay increase, if any, of no more than one percent a year. Please take my concerns seriously while considering your decision.

Sincerely,

Sonja M. Trisket
