Docketing Case No: 11-351-EL-AIR

Notes: Concerning the proposed rate increase (reference #11-351-EL-AIR) by AEP I would like to know if anyone has taken notice that most consumers in the last several years are getting laid-off or taking paycuts not getting any raises. This attack on the middle class seems to be blossoming into all out war and i would like to express the fact that any increases by any utility at this time should not be approved.

Please docket the attached in the case number above.
