To whom it may concern:

I am writing in regards to the increase in my electric bill - I sure hope & pray it doesn't increase. I live like a poor man now not turning on lights at night - if I turn up at night all that is on is my T. V. -

I am 8 yrs. of age I would never turn things up - I can't afford it with Soc. Sec. - I don't want to go in a nursing home & leave everything I got - I am trying to stay in my home

Please don't increase the electric."
