I am writing in response to the increase in my electric bill - I sure hope Pray it doesn't increase I live like a Span now not tea-cig or lights at night - if I am up at night all that is on is my T. V. -

Can 8 yrs. of age I would never think of going up - I can't afford it with Soc. Sec. - I don't want to go in a nursing home & lose everything I got - I am trying to stay in my home

Please don't increase the electric!!
