1	Thursday Afternoon Session,
2	November 3, 2011.
3	
4	HEARING EXAMINER PIRIK: We're
5	reconvening the hearing in Case No.
6	11-206-GA-GCR being in the matter of Brainard
7	Natural Gas Company with regards to their
8	financial audit for gas cost recovery.
9	Mr. Margard or Mr. Sonderman?
10	MR. SONDERMAN: I will be happy to
11	address this. On October 26 the Commission
12	entered its Opinion and Order in two cases
13	involving affiliates of Brainard Gas
14	Corporation, those being Orwell Natural Gas and
15	Northeast Ohio Natural Gas, Docket Nos. 10-209
16	and 10-212-GA-GCR. As part of that Opinion and
17	Order the Commission adopted a stipulation
18	entered by all the parties: OCC, the staff, and
19	the companies. That stipulation provided for
20	certain forward-looking steps to be taken by
21	those two companies as well as Brainard Gas
22	Corporation.
23	Brainard has filed testimony in this
24	case by Mr. Tom Smith indicating that it would
25	proceed under the terms of that stipulation once

1	adopted by the Commission. The Commission,
2	however, did adopt the modification to the
3	stipulation that the companies believe might
4	constitute a material modification, and so
5	negotiations are going on between the parties to
6	a stipulation right now with respect to either
7	an effort to modify the stipulation and provide
8	a motion to that effect to the Commission, or
9	failing that, a petition for reconsideration by
10	the company.

11 We understand that the office of 12 Consumers' Counsel, they have indicated to us 13 that if a petition for reconsideration were 14 filed and a stipulation were considered at risk 15 at that point, they likely would intervene in 16 this docket, the Brainard Gas Corporation docket 17 which likely, again, would mean that we'd need 18 to keep the record open; and, in fact, I think 19 we need to keep the record open to see the 20 impact on Brainard of the stipulation or any 21 changes in the stipulation in the other cases.

I apologize for the long-winded explanation for the record, but the parties, or counsel for staff and the company, agreed to request a motion for a continuance of the

1	hearing scheduled today in this case for
2	cross-examination, and we would request that
3	that continuance be of indefinite duration with
4	the understanding that upon the resolution of
5	the other two dockets and a final understanding
6	of where the stipulation stands in that case as
7	it applies to Brainard Gas Corporation, counsel
8	will consult and get with the Attorney Examiners
9	to reset the procedural schedule.
10	I that a fair representation?
11	MR. MARGARD: It is, and staff is in
12	accord with that motion, Your Honor.
13	HEARING EXAMINER PIRIK: Okay. All
14	right. With that, we will grant a continuance
15	of the hearing for today until another date yet
16	to be determined pending feedback from the
17	parties as far as the status of the other two
18	associated cases: Northeast and Orwell.
19	Are there any other procedural
20	matters that we need to perhaps resolve today?
21	MR. SONDERMAN: Not as far as the
22	company is concerned, Your Honor.
23	HEARING EXAMINER PIRIK: So as far as
24	the information that you received the last time
25	at the hearing with regard to Mr. Sarver, you're

51

ARMSTRONG & OKEY, INC., Columbus, Ohio (614)224-9481

52

1	prepared to go forward with that?
2	MR. SONDERMAN: We are prepared to
3	cross-examine on that testimony.
4	HEARING EXAMINER PIRIK: Okay. And
5	staff is okay with everything, everything
6	procedurally?
7	MR. MARGARD: At the moment, yes,
8	Your Honor.
9	HEARING EXAMINER PIRIK: Okay. Well,
10	that being said, we will recess for the day to
11	be convened. It will be scheduled via an
12	Attorney Examiner entry for some time in the
13	future.
14	
15	Thereupon, at 1:05 p.m. the hearing
16	was recessed to be rescheduled.
