**MOTION FOR EXTENSION OF TIME  
AND REQUEST FOR EXPEDITED RULING**

Now comes Reflective Energy Solutions, LLC ("RES"), and moves the Public Utilities Commission of Ohio or its Attorney Examiner to extend the expiration date of RES's Certificate No. 09-166G(1), which authorizes it to provide retail natural gas aggregator and broker services within the State of Ohio. The Certificate expires on November 14, 2011, and RES seeks to extend the expiration date until December 5, 2011, to allow for the thirty (30) day review process of its renewal application, which was filed on November 4, 2011.

RES also requests that the Commission issue an expedited ruling on its request pursuant to O.A.C. Rules 4901-1-12(C) and (F). RES requests this extension and expedited ruling for the reasons set forth in the attached Memorandum in Support.

Respectfully submitted,

**MEMORANDUM IN SUPPORT**

Reflective Energy Solutions, LLC ("RES") was issued Certificate No. 09-166G(1) to provide retail natural gas aggregator and broker services for the two (2) year period ending November 14, 2011. Unfortunately, due to an inadvertent administrative error, RES filed its renewal application on November 4, 2011, approximately twenty-one (21) days after the October 14, 2011, deadline. As is demonstrated in the renewal application, there has been no material change in RES's business practices as defined by O.A.C. Rule 4901:1-24-10.

RES respectfully requests that the Commission extend Certificate No. 09-166G(1) through December 5, 2011, so that there will be no interruption in service to RES's customers. Due to an administrative oversight, RES did not meet the October 14, 2011, submission date. RES apologizes for the administrative oversight and will take steps to ensure that this administrative oversight does not recur.

RES also requests an expedited ruling on this motion pursuant to O.A.C. Rules 4901-1-12(C) and (F), considering that its current Certificate expires on November 14, 2011. Because RES is the only party to this proceeding, an expedited ruling will not adversely affect the substantive right of any party.

The Commission has the plenary authority to extend the expiration date of RES's certification for good cause shown. As demonstrated above, RES's tardiness in filing its renewal application was solely due to an administrative oversight. Moreover, RES's business practices have not changed in any material respect since its last certification was filed in 2009. Consequently, RES respectfully requests this brief extension of the expiration date of its Certificate No. 09-166G(1).
