COMPLAINT DESCRIPTION:

See where the Fed, has said its OK with them to merge with DPL. AEL is not to Financially Viable in the First place, in the second place, there record in Indianapolis, IND, is not to good. I (see no reason, for these 2 to merge, as I dont appreciate, reading in the Dark, and see no reason to merge these 2, to acheive unreliable service? Please consider this, if there is no advantage, why merge?
