MOTION TO DISMISS AND MOTION TO CONTINUE HEARING

Pursuant to Ohio Adm. Code 4901-9-01(C)(4) and (F), the Respondent The East Ohio Gas Company d/b/a Dominion East Ohio ("DEO") respectfully requests issuance of an Entry dismissing the Complaint, with prejudice. The Complaint alleges that DEO wrongfully billed Complainant for unauthorized usage. Because DEO has withdrawn all disputed charges, the Complaint has been satisfied and must therefore be dismissed.

Pursuant to Ohio Adm. Code 4901-1-13(A), DEO also requests a continuance of the evidentiary hearing, currently scheduled for January 5, 2012. A continuance is necessary to provide Complainant 20 days to respond to this Motion, agreeing or disagreeing that the Complaint has been satisfied. If no response is filed, the Commission may presume that satisfaction or settlement has occurred and dismiss the Complaint. Absent a continuance, the parties would need to file expert testimony by December 29, 2011. No such testimony is necessary here because no dispute remains for the Commission to adjudicate.

For these reasons, further explained in the attached Memorandum in Support, the Commission should grant this Motion.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

MEMORANDUM IN SUPPORT OF MOTION TO DISMISS AND MOTION TO CONTINUE HEARING

I. INTRODUCTION

Complainant, a landlord, alleges that DEO improperly billed him for his former tenants' gas usage. DEO believes that it properly billed Complainant, but nonetheless elected to remove the disputed charges from Complainants' account. Complainant, however, refuses to dismiss the Complaint, apparently because DEO will not agree to pay his attorneys' fees. The Complaint does not request the Commission to award attorneys' fees, and the Commission lacks authority to do so in any event. Complainant has received the relief requested: removal of the disputed charges from his gas bill. The Complaint has therefore been satisfied and should be dismissed.

II. BACKGROUND

On July 18, 2011, the Complainant filed his Complaint alleging that "DEO improperly billed him for his tenants' unpaid gas bills" totaling \$3,171.58. Entry (Nov. 1, 2011) at Finding (1); see also Compl. ¶¶17-18. The Complainant alleges that "he is not responsible for the tenants' unpaid gas bills," and requests that "DEO be ordered to remove the tenants' gas bills from his personal residence account." Entry (Nov. 1, 2011) at Finding (1); see also Compl. ¶19.

In its Answer, DEO acknowledges placing the disputed charges on Complainant's residential account, but goes on to explain that these charges were removed from this account on July 19, 2011 (the day after the Complaint was filed) and transferred to a different accounts in Complainant's name and billed to the rental property address where the charges were incurred. (See Answer at ¶17.)

The Parties held unsuccessful settlement discussions in September and October. A November 1, 2011 Entry scheduled a hearing for January 5, 2012.

On November 8, 2011, DEO mailed billing statements to the rental property showing removal of the disputed charges. The final bill statements' amount due is now \$0. See Exhibit A. The Affidavit accompanying Exhibit A confirms that DEO will not seek to collect in the future any portion of the disputed amount. See Exhibit B.

III. ARGUMENT

A. The Complaint should be dismissed because it has been satisfied.

Rule 4901-9-01(C), O.A.C., provides that "satisfaction of the complaint or settlement of the case" is an affirmative defense that may be raised by motion. The rule does not proscribe a time limitation for filing such a motion. In addition, subdivision (F) of Rule 4901-9-01 allows a public utility to file a motion representing that a complaint has been satisfied or the case settled. The complainant then has 20 days to file a response "indicating whether the complainant agrees or disagrees with the utility's assertions, and whether he or she wishes to pursue the complaint." If no response is filed, the Commission may presume that the complaint has been satisfied and dismiss the case. *Id.* Where a utility files a motion indicating that it has removed disputed charges from a bill or otherwise taken action requested in a complaint, and no response is filed,

the Commission typically grants the motion as a matter of course.¹

Here, the Complaint alleges that "Dominion is attempting to burden Collins with the total bill for all four units" and "has added the gas usage bills from the four units at the Rental Property to the gas bill for Collins' personal residence." Compl. ¶17-18. The remedies requested of the Commission are a determination that Complainant is not responsible for these charges and that they be removed from his bill. Compl. ¶19. The Commission need not provide this relief because DEO has already done so. As DEO's Ms. Edwards explains, DEO has removed the disputed charges from Complainant's bill and issued final bills with a \$0 balance. DEO will not seek to collect any portion of the disputed charges in the future. Thus, Complainant has received everything he asked for. The Complaint has been satisfied.

Based on discussions with Complainant's counsel, it appears that Complainant will not dismiss this case voluntarily because DEO has not agreed to pay his attorneys' fees.

Disagreement over attorneys' fees may impede "settlement," but it does not impede "satisfaction" of the Complaint. The Complaint does not request an award of attorneys' fees, and even if it did, the Commission is without authority to grant this relief. *Industrial Energy Users-Ohio v.*Northeast Ohio Public Energy Council, Case No. 04-1129-EL-CSS, Entry (Feb. 2, 2005) at Finding (6) (citing Ohio Public Interest Action Group, Inc. v. Pub. Util. Comm. (1975), 43 Ohio St.2d 175, 185.). This case cannot proceed to hearing to litigate over relief that the Commission cannot grant.

There are no remaining allegations to dispute or redress to be awarded.

¹ See, e.g., Smith v. Spring Communications Company L.P., Case No. 06-1275-TP-CSS, Entry (July 25, 2007); Middletown Preparatory and Fitness Academy v. Choice One Communications of Ohio, Inc., Case No. 06-134-TP-CSS, Entry (Mar. 29, 2006); Shuco, Inc. d/b/a PIP Printing v. Directory America, Inc., Case No. 02-1214-TP-CSS, Entry (Oct. 3, 2002); Harrison v. AT&T, Case No. 02-574-TP-CSS, Entry (Sept. 12, 2002); Act I Optics & Engineering, Inc. v. Ameritech Ohio, Case No. 00-1919-TP-CSS, Entry (Jan. 4, 2001); Markko v. Matrix Telecom, Case No. 94-44-TP-CSS, 1994 Ohio PUC LEXIS 145, Entry (Feb. 24, 1994); Roper v. The East Ohio Gas Company, Case No. 85-818-GA-CSS, 1985 Ohio PUC LEXIS 1675, Entry (Sept. 10, 1985).

В. Good cause exists to continue the hearing currently scheduled for January 5, 2012.

Rule 4901-1-13(A), O.A.C., permits continuances of public hearings "upon motion of

any party for good cause shown...." Good cause exists to continue the hearing scheduled in this

matter.

Under Rule 4901-1-29(A)(1)(h), O.A.C., written testimony must be filed seven days prior

to hearing, which in this case makes testimony due on December 29, 2011. This happens to be

the same day Complainant's response to this motion is due, per the 20-day response period

allowed under Rule 4901-9-01(F). Neither party should have to file testimony if it can be

avoided, and it can certainly be avoided since there is no longer a need for a hearing. Therefore,

the Commission should continue the hearing while this Motion is pending. If it turns out that a

hearing is necessary (DEO cannot fathom a scenario where this would be the case), one can be

scheduled in an entry ruling on this Motion.

IV. CONCLUSION

Because DEO has removed the disputed charges from Complainant's bill, there are no

claims to adjudicate and no relief to grant. The Complaint should be dismissed and the hearing

continued, pending issuance of an Entry disposing of this proceeding.
