Dear Valued Customer:

In an effort to always keep you informed of account changes, this letter is to notify you that prices, service descriptions, and the terms and conditions for services provided by Saturn Telecommunication Services Inc. ("Saturn") will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. Saturn must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

On March 2, 2011, EarthLink announced its acquisition of Saturn Telecommunication Services Inc., also known as STS Telecom. For more information on the merger, please visit the EarthLink Press Room at www.earthlink.net/about/press.

If you have any questions about the PUCO filing change outlined in this letter, please call EarthLink Business Customer Care at 1-800-610-7600, or visit us online at www.earthlinkbusiness.com.

Sincerely,

Saturn Telecommunications Services Inc., dba EarthLink Business
