## **EXHIBIT A – Description of Services**

LSSi Data Corp. (“LSSi Data”) is a provider of directory listing database and directory solution services to enterprise customers in the United States and abroad. LSSi Data intends to use the requested CLEC certification to provide resold and call completion services to business customers in Ohio. As an example of the service that may be provided, an LSSi business customer/subscriber would access LSSi Data’s directory listing database, look up a telephone number within that database, and complete a call to the number via the proposed resold telecommunications service.

LSSi Data intends to offer this proposed service to pre-subscribed business customers in the Cincinnati Bell Telephone Company Ohio territory in particular, and may seek to serve additional customers in Cincinnati, Cleveland, Columbus, Copley, North Canton, Rocky River and Solon. The proposed service would not be offered to residential customers at this time.

Granting LSSi Data certification to provide the proposed service will promote competition and innovation in the telecommunications marketplace, and is therefore in the public interest.

Re: LISTING SERVICES SOLUTIONS, INC.

Dear Customer:

The enclosed document (s) is being returned for the following reason (s) :

In #5, if there is no office in Ohio, say so. Remember, "n/a" is not acceptable; "no office in Ohio" is OK.

You must provide a statutory agent in #6. A duly-purposed corporation or an individual, either having an Ohio street address, may act as agent.

The application has the name ending in "Inc.". However, the good standing indicates "Incorporated". Please correct.

Do not resubmit the list of officers and directors. Only the good standing and application (and our letter) are to be sent back.

**\*\*Please submit corrected documents to: Secretary of State, P.O. Box 818, Columbus, Ohio 43216\*\***

To ensure proper processing of your filing, return this letter.

- Return the corrected documents and the entire filing

## INSTRUCTIONS

1. This application must be accompanied by an original certificate of good standing from the state in which the applicant is incorporated, dated not more than 60 days prior to the filing of the application. (O.R.C. 1703.04(A))
2. The filing fee for a permanent license is \$75.00 and for a temporary license is \$125.00. (O.R.C. 1703.04 (C), 1703.13)
3. The application must be signed by the president, vice-president, secretary or treasurer of the corporation and must be notarized. (O.R.C. 1703.041)
4. In item 6, the agent for service of process may be (a) a natural person who is a resident of Ohio, or (b) an Ohio corporation or a foreign corporation licensed in Ohio which is explicitly authorized by its articles to act as statutory agent and which has a business address in Ohio. (O.R.C. 1703.041)
5. No foreign corporation which previously should have obtained a license to do business in Ohio shall maintain any action in any court until it has obtained such a license. Before the corporation shall maintain such action on any cause of action arising at the time when it was not licensed to transact business in this state, it shall pay to the Secretary of State a forfeiture of two hundred fifty dollars with this license application. (O.R.C. 1703.29) It is only under these circumstances that question no. 11 should be answered "yes". Under all other circumstances the answer to this question should be "no".

NOTE: Foreign corporations doing business in Ohio must file each year with the Secretary of State an Annual Statement of Proportion of Capital Stock (Form 7), showing activity in Ohio during the preceding calendar or fiscal year. This report is due March 31st, unless an extension has been requested in writing and has been granted. (O.R.C. 1703.07)

The report is separate and distinct from the Ohio Franchise Tax Report.

If the corporation has been doing business in Ohio prior to the date of licensing, it must submit a Form 7 for each of the years of unlicensed operation in Ohio, together with a certificate from the Ohio Department of Taxation showing that all applicable Franchise Taxes have been paid. For information on this certificate (D-4), call the Department of Taxation at 614-433-7638.

**EXHIBIT C – Registration with Ohio Department of Taxation**

LSSi Data Corp. is registered with the Ohio Department of Taxation under the following information:

The Company's Ohio Franchise Tax I.D. Number is 01502700.

The Company's Ohio Charter or License Number is 1102786.

## **EXHIBIT D – Financial Viability**

LSSi Data Corp. f/k/a LSSi Corp. is an enterprise-based vendor of contact information sourced from and for telecommunications providers. In 2007, LSSi Corp. was acquired by Volt Delta Resources, LLC (“Volt Delta”), and is a wholly owned subsidiary of Volt Delta.<sup>2</sup> Volt Delta is a wholly owned subsidiary of Volt Information Sciences, Inc. (“VIS”). VIS is a publicly traded company that provides workforce consulting, technology management consulting, and database services. Information concerning LSSi Data Corp.’s financial viability comes by way of the parent company, VIS.

VIS is currently going through an accounting review and planned restatement of prior issued financial statements, which has caused a delay in the filing of the VIS’s Form 10-K with the Securities Exchange Commission (“SEC”). An updated financial statement cannot be provided until the restatement is submitted with the SEC. The attached press release provides the Company’s most recent update.

Please refer to our website for additional information, as it will be updated about this accounting matter (<http://www.volt.com>). Historical financial information is also available through the SEC’s website. The revised financial results are not anticipated to have an effect on the company’s case positions.

EX-99.1 2 ex99\_1-f8k11022011.htm THE COMPANY'S PRESS RELEASE DATED NOVEMBER 2, 2011

**Exhibit 99.1****Volt Information Sciences Provides Update on Third Quarter Business Performance**

New York, NY, November 2, 2011 – Volt Information Sciences, Inc. (OTC: VISI) today provided a business update and reported selected unaudited financial information for its fiscal 2011 third quarter ended July 31, 2011. The Company noted that, due to a previously announced accounting review, all numbers presented in this release are estimates.

Steven Shaw, Volt's President and Chief Executive Officer, stated, "The Staffing Services Segment, which accounts for a majority of the Company's total revenue, had approximately \$460 million of revenue in the fiscal third quarter 2011 compared to approximately \$425 million for the same period in 2010. Staffing Services revenue increased approximately 8% for the quarter, and approximately 14% year-to-date, compared to the prior year. On average, approximately 31,400 U.S. staffing employees were on assignment in the quarter, compared to approximately 30,200 in the third quarter of 2010."

While the Telecommunications Services and the Printing and Other Segments together sustained a small loss in the third quarter of 2011, these segments showed an improvement over the prior year's third quarter. Results for the Computer Systems Segment will be reported after the accounting review is completed.

**Liquidity**

During the nine-month period the Company disbursed approximately \$37 million in connection with the restatement and related investigations costs and approximately \$12 million for net capital expenditures, while cash of approximately \$5 million was provided by all other operating activities. The Company transferred approximately \$5 million during this period to restricted cash as collateral for new European banking facilities and cash and cash equivalents decreased by approximately an additional \$13 million. Borrowings under the accounts receivable securitization program increased by approximately \$30 million.

On July 31, 2011, the Company had cash and cash equivalents of approximately \$33 million and an additional approximately \$35 million of cash set aside as collateral for foreign currency credit lines and banking facilities. The Company also had approximately \$70 million available from its accounts receivable securitization program. The Company's consolidated borrowings were approximately \$102 million at July 31, 2011, which includes approximately \$22 million of foreign currency borrowings primarily used to hedge foreign denominated receivables and fully collateralized by restricted cash, and approximately \$80 million drawn under the \$150 million securitization program. The approximately \$80 million drawn under the securitization program was increased to approximately \$90 million in September 2011.

The Company believes that it has more than ample liquidity to meet its business requirements currently and for the foreseeable future.

**Preliminary Nature of Information**

The financial information contained in this press release is preliminary and unaudited, and has been prepared by management based on currently available company data. This financial information is subject to change based on the completion of the Company's ongoing review of accounting matters, the completion of its fiscal 2010 and 2009 annual financial statements, the effects of the accounting review on financial results for the fiscal years 2005 through 2008, the restatement of stockholders' equity as of the beginning of fiscal year 2005 for the effects of adjustments prior to that year, and the completion of the audit of the financial statements by the Company's independent accountants. The process of restating prior years' financial statements is expected to result in changes to the Company's financial statements for fiscal years 2005 through 2008 due to the correction of errors in the application of certain accounting principles and methodologies that individually or in the aggregate may be material. There can be no assurance that the amounts reported today will not differ, including materially, from those reported when the Company files its 2009 and 2010 Form 10-Ks and other reports.

Since the re-evaluation is ongoing, the Company has limited the scope of the financial information released today to the selected unaudited financial information included in this release. The Company does not expect to be in a position to announce audited financial results for fiscal 2010 or 2009 (or prior years) until appropriate accounting adjustments and restated financial statements have been finalized for 2008 and prior periods, its independent accountants have completed their audit procedures, and amended Reports on Forms 10-K and 10-Q have been filed with the SEC for the periods ended October 28, 2007 and November 2, 2008 and for quarterly periods through May 3, 2009.

Please refer to the Company's reports filed with the SEC for further information.

### **EXHIBIT G – Corporate Structure**

Information concerning LSSi Data Corp.'s corporate structure was provided above in Exhibit A. Additional information about LSSi Data Corp.'s corporate structure may be found on the Volt Information Sciences, Inc. corporate web site: <http://www.volt.com>.

## **EXHIBIT H – Operations in Other States and Prior Certification**

LSSi Data Corp. is currently certificated and has been certificated as a CLEC in Minnesota, Oregon, Utah and Washington since 2005, and as an IXC in Illinois since 1999. Although LSSi Data does not currently provide its proposed service to any customers in any jurisdiction, LSSi Data plans to introduce such services.

LSSi Data was previously certified by the Public Utilities Commission of Ohio (“Commission”) to operate as an interexchange carrier (Certificate No. 90-5882). This certification was cancelled under a November 22, 2010 Entry in Case No. 10-05-TP-RPT due to a delay in the Company’s filing of an Annual Report for 2009. This regrettable delay was caused by significant, unplanned personnel changes within the department responsible for management of LSSi Data’s compliance filings with the Commission and other governmental agencies. Although LSSi Data did file its 2009 Annual Report in December 2010, the de-certification process had at that point already proceeded.

Thereafter, upon consultation among LSSi Data’s outside regulatory counsel and the Commission’s Telecom Section Chief in May of 2010 concerning the possibility of reinstatement, and in consideration of LSSi Data’s plan to roll-out the proposed service discussed above, it was determined that a new application for CLEC certification was the more advisable course. LSSi Data now respectfully seeks certification as a CLEC. Attached are the company’s 2010 Annual Report and most recent Telephone Relay Service Report Forms.
