Re: Case No. 11-4161-WS-AIR

To whom it may Concern;

This letter is to bring to your attention the rate increases forced upon the voters of Blendon Township by *Ohio American Water Company*. They are now asking for another increase. In the past seven years they have asked for and gotten increases totaling 350 percent. Our water/sewer bills per month are more than Columbus and Westerville residents pay in a quarter. Their service is at best fair and in a lot of areas very poor. They have a monopoly in Blendon Township and must believe their customers cannot object to these absurd increases. We have fought their increases in the past to little or no avail so we are asking for your help this time.

Sincerely

Thomas W. Conley
