Dayton Power and Light Company for)	Case No. 11-4504-EL-ATA
Approval of Revisions to its Existing G8,)	
D4 and D5 Tariffs)	

**MOTION FOR AN ABBREVIATED COMMENT PERIOD
(EXPEDITED RULING REQUESTED)**

Pursuant to O.A.C. 4901-1-12, FirstEnergy Solutions Corp. (“FES”) respectfully requests that the Commission, on an expedited basis, enter an Order extending the time by one week to render its determination in the subject proceeding. The grounds for this Motion are that, on August 25, 2011, FES filed a Motion to Intervene in this action for the purpose of raising certain barriers to competition that will result from DP&L’s proposed revisions to its existing G8, D4 and D5 tariffs (the “Tariff Revisions”) if approved and that, because the Motion to Intervene has not yet been ruled on, FES has not yet filed Comments to DP&L’s proposed Tariff Revisions. As the Commission Docket reflects that this matter is on the agenda for January 4, 2012, FES respectfully requests that the Commission delay its consideration by one week, or until on or after January 11, 2012, so as to permit FES to file its Comments.

For these reasons, and the reasons set forth in the accompanying Memorandum in Support, FES respectfully requests that the Commission extend its consideration of this matter until on or after January 11, 2012 and allow for an abbreviated comment period.

Respectfully submitted,

/s/ Colleen M. O'Neil

**MEMORANDUM IN SUPPORT OF MOTION FOR AN ABBREVIATED COMMENT
PERIOD (EXPEDITED RULING REQUESTED)**

FirstEnergy Solutions Corp. (“FES”) respectfully requests that the Commission extend the time for its consideration of DP&L’s proposed Tariff Revisions by one week, or until on or after January 11, 2012, and allow an abbreviated comment period so as to permit FES to file Comments thereto. A one-week extension of the determination of DP&L’s proposed Tariff Revisions will not result in prejudice to the parties or the public. Indeed, on or about October 26, 2011, DP&L filed a Stipulation Approving Merger in Case No. 11-3001-EL-MER to which FES was a party. In the course of the negotiation of that Stipulation, FES and DP&L exchanged communication that competitive concerns of FES regarding DP&L’s proposed Tariff Revisions would be raised in the subject proceedings. As a result, DP&L anticipates and expects that FES will comment on its proposed Tariff Revisions. Further, prejudice will not be visited upon consumers given that FES’ Comments will put before the Commission issues that will promote competition in Ohio’s electricity markets that will ultimately benefit consumers. Accordingly, good cause exists to extend the time for determination of this proceeding by one week so as to allow FES to file its Comments.

For the reasons set forth above, FES respectfully requests that the Commission enter an Order extending the time for its determination of this proceeding by one week, or until on or after January 11, 2012.

Respectfully submitted,

/s/ Colleen M. O'Neil
