(Application for Certificate)

Secretary McCauley:

This office represents Liberty-Bell Telecom, LLC, d/b/a DISH Network Phone & Intercom ("DISH Network"), Applicant in the above-captioned matter. As filed, the application states that DISH Network proposes to provide local exchange services in the AT&T Ohio; CenturyLink (formerly United); Cincinnati Bell; and Frontier (formerly Verizon North) local exchange service territories. Upon further consideration, DISH Network has determined that it will not seek interconnection agreements at this time with either CenturyLink or Frontier. Please accept this letter as a request by DISH Network to disregard those portions of its application to provide services in the CenturyLink and Frontier local exchange service territories.

Thank you, in advance, for your attention to this request.

Sincerely,

/s/David A. Turano
