Subject: Distribution Charge Increase Approved by PUCO for Small Businesses

Message: Just recieved my January AEP Electirc bill. My distribution charges are 77.5% of my bill and last month they were 31.3% of my bill. So we have over a 46% increase in distribution charges for small businesses. How is that helping the economy, taking charges away from large businesses and forcing them upon the small businesses. Called PUCO, and all they could do is make a note that I complained. So I am letting you know, and am calling 6 On Your Side so this can be brought to everyones attention that you appointed the director of PUCO who approved a 45% increase just this month for small business owners. Would like a response from you, an explanation of why you're trying to hurt small business owners. Kimberly Renninger Kimberly's Diamond Corner Powell, OH AEP Account # 10481865045
