Re: The Dayton Power and Light Company Case Nos. 09-1012-EL-FAC, 11-5730-EL-FAC

Docketing Division:

The Dayton Power and Light Company herewith submits a revised copy of Schedules, Workpaper, and Tariffs for modifying its FUEL rider. This revision supersedes the filing made on January 31st. This revision is necessary because the calculation of the rate on Workpaper 1 did not include the entire amount of forecasted kWh. The final Tariff will be docketed in these cases and our TRF docket before the effective date of March 1, 2012.

Please contact me at (937) 259-7181 if you have any questions. Thank you very much for your assistance.

Sincerely,

A handwritten signature in black ink that reads 'Eric Brown'.
