Dear Colerain Township Residents and Businesses,

Welcome to Colerain Township's Electric Aggregation Program. In 2005, Colerain Township voters authorized Township Trustees to form a governmental aggregation program to negotiate a more favorable price and terms for electricity supply for Township residences and businesses. Since that time, Colerain Township Trustees entered into an agreement with Duke Energy Retail, a competitive retail electric service provider and affiliate of Duke Energy Ohio, for discounted electric supply.

This initial agreement expired December 2011. We are writing to let you know that the aggregation program with Duke Energy Retail has been renewed. As with the initial program, this renewal is set up such that you will be enrolled unless you opt out as described below.

Your electric aggregation program:

- **Price Stability** – Secure a fixed price of \$.0492/kWh for your Electric Generation Service – that's the largest component of your electric bill - each month, through May 2014. This plan eliminates fluctuations in the price for the electricity that you use.
- You will continue to receive a single electric bill from Duke Energy Ohio (the regulated utility).
- Duke Energy Ohio will continue to maintain the electric lines and respond to emergencies.
- Your electricity service will continue without interruption.
- **Put simply, nothing will change...except your monthly electric bill will be fixed at this low price.**

You do not need to do anything to participate. You will be automatically enrolled in the Colerain Township Electric Aggregation Program. Both Colerain Township and Duke Energy Retail are certified by the Public Utilities Commission of Ohio to provide this service. Participation in this program is voluntary. If you choose to opt-out prior to the commencement of the program, you will continue to be served by your current supplier.

To opt out of the program, either:

1. Fill out the reply card below and return it in the enclosed postage paid return envelope by March 19, 2012, or
2. Call us toll-free at 1-877-331-3052.

If you have any questions regarding the Colerain Township Electric Aggregation Program, contact Duke Energy Retail at save.ders@duke-energy.com or call 1-877-331-3052.

Regards,

Matt Walz
Vice President, Duke Energy Retail

This fixed price for energy is firm and will not change for the duration of your Initial Term, regardless of changes in Utility or regulatory practice or policy. To the extent not provided by the Utility, we will also provide capacity at no extra charge to you. You will continue to incur service and delivery charges from the Utility.
