Re: Annual Measurement and Verification Report
Case No. 10-2205-EL-EEC

Dear Mr. Jones:

This correspondence confirms the Staff of the Public Utilities Commission of Ohio's and Dayton Power and Light's ("DP&L") consent to Honda of America Mfg., Inc.'s ("Honda") request that it be provided an additional thirty (30) days to submit its Annual Measurement and Verification Report (the "Report") required under its Self-Direct Program Agreement (the "Agreement"). Honda's Report for 2012 was to be submitted to Staff and DP&L by March 1, 2012. With the agreed upon extension, Honda will submit the Report to Staff and DP&L no later than March 30, 2012. Honda appreciates both DP&L's and Staff's accommodation of this request.

Please call me if you have any questions regarding this correspondence.

Sincerely,

M. Howard Petricoff
