***** CUSTOMER NOTICE *****

Effective with the April bill, the charge for touch-tone service will be included in the monthly basic access line rate for all customers. The vast majority of our customers will see no increase on their bills - the separate line item on the bill for touch-tone service will simply be eliminated and the charge included in the monthly exchange rate.

For the few customers who do not currently subscribe to touch-tone, your monthly exchange rate will now include the \$1.50 for touch-tone service. Due to the changes in technology, touch-tone service is a feature on all access lines and can no longer be considered optional. If you have any questions, please call us at (419)532-3218.
