THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of Water)
and Sewer LLC to Increase its Rates for) Case No. 11-4509-ST-AIR
Sewer Service.)

ENTRY NUNC PRO TUNC

The attorney examiner finds:

- (1) Pursuant to the attorney examiner's Entry of February 24, 2011, time frames were established for the filing of (a) objections to the staff report, (b) direct expert testimony, (c) motions to intervene, (d) motions to strike objections to the staff report, and (e) memoranda contra motions to intervene or motions to strike objections. While the entry stated that the motions and memoranda contra should be filed on April 2, 2012, and April 9, 2012, respectively, the ordering paragraphs reflected the filing dates of April 5, 2012, and April 12, 2012, respectively. The attorney examiner clarifies that the April 2, 2012, and April 9, 2012, dates are the correct time frames.
- (2) The attorney examiner's Entry of February 28, 2012, incorrectly reflected that the evidentiary hearing at the offices of the Commission will commence on April 19, 2012, at 10:00 a.m. As stated in the Entry of February 24, 2011, the evidentiary hearing will commence on April 17, 2012. Accordingly, the legal notice set forth in the Entry of February 28, 2012, shall be amended to reflect the April 17, 2012, evidentiary hearing date.

It is, therefore,

ORDERED, That the Entries of February 24, 2012, and February 28, 2012, are amended in accordance with this Entry. It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
