EXHIBIT B

Description of Proposed Services

Custom Tel by this Application seeks authority to provide resold local exchange and interexchange telecommunications services to the public by initially reselling services from and utilizing facilities provided by facilities-based carriers. At this time the company has no plans to install facilities in the State of Ohio, but may do so in the future. For local exchange service, Custom Tel will initially mirror the existing local calling areas of incumbent local exchange telephone companies. Custom Tel seeks authority to provide the following services:

1. Interexchange (switched and dedicated services):

- A. 1+ and 101XXXX outbound dialing;
- B. 800/888 toll-free inbound dialing;
- C. Calling cards; and
- D. Data services.

2. Local Exchange:

- A. Local Exchange Services that will enable customers to originate and terminate local calls in the local calling area served by other LECs, including local dial tone and custom calling features.
- B. Switched local exchange services such as flat-rated and measure-rated local services; vertical services, carrier access, and any other switched local services that currently exist or will exist in the future.
- C. Non-switched local services (e.g., private line) that currently exist or will exist in the future.
- D. Centrex and/or Centrex-like services that currently exist or will exist in the future.
- E. Digital subscriber line, ISDN, and other high capacity line services.

Custom Tel seeks authority to provide local exchange services initially throughout the State in the areas served by Windstream Ohio and interexchange service throughout the State.

EXHIBIT C

Statement about the Provision of CTS Services

Custom Tel will include CTS services within its CLEC filing herein.

EXHIBIT D

Description of the General Geographic Area Served

Custom Tel proposes to provide local service in all areas in the State of Ohio serviced Windstream Ohio, and interexchange service statewide.

EXHIBIT E

Explanation of how the proposed services in the proposed market area are in the public interest

Granting this Application will promote the public interest by increasing competition in the provision of telecommunications services in Ohio.

Custom Tel, LLC will provide customers high quality, cost effective telecommunications service, with an emphasis on customer service. In addition to driving prices closer to costs, thereby ensuring just and reasonable rates, competition also promotes efficiency in the delivery of services and in the development of new services. These very real benefits work to maximize the public interest by providing continuing incentives for carriers to reduce costs, while simultaneously promoting the availability of potentially desirable services.

EXHIBIT F

Description of the class of customers (e.g., residence, business) that the applicant intends to serve

Custom Tel intends to serve business customers. Applicant does not intend to market residential customers but is aware of Commission Rules in that they will not refuse a residential customer that wishes to purchase their service.

Verification that the applicant will follow federal communications commission (FCC) accounting requirements, if applicable

Custom Tel may use its own numbering scheme for its books, provided that a translation matrix is maintained that maps the local exchange operations only between this numbering system and the USOA accounts. The purpose of the matrix is to allow a conversion from the company's chosen account numbering scheme and descriptions for the local exchange operations into USOA account numbers; and

The translation matrix shall be made available for the Commission staff's review upon request; and

All filings with the Commission that require submission of financial information specific to local exchange operations, such as the Commission's Annual Report, shall utilize the translation matrix and be provided in the USOA format. To the extent the treatment under the USOA of a particular transaction or event differs from the treatment the company would otherwise apply under generally accepted accounting principles, the financial information filed with the Commission shall reflect the USOA prescribed treatment of this item. The company shall use subsidiary records, if needed, to substantiate differences between USOA-prescribed accounting and generally accepted accounting principles.
