Re: Case No. 07-0171-EL-BTX-  
Correction of Initial Direct Testimony of Kathleen M. McGee  
filed on September 8, 2008, before the OPSB

Dear Sir/Madam:

It has come to my recent attention that there are two errors in the document titled "Initial Direct Testimony of Kathleen M. McGee" and filed with the OPSB on September 8, 2008. I write this letter to correct these errors.

The first is found on the cover page. The following should be deleted in its entirety: "M.A.I."

The second is found on p. 3, at lines 51 and 52, beginning with the second sentence. Please delete the second sentence in its entirety "I passed this test and achieved the "MAI" designation in 1999" and insert the following in its place:

"I passed this four-part two-day examination in 2001."

During my review of my Initial Direct Testimony that I had submitted with the OPSB in preparation of my actual testimony before the Board on September 18, 2008, I should have discovered these but did not. I did not discover these errors until a recent deposition in an eminent domain case relating to the Electric Power Transmission Line that was the subject matter of Case No. 07-0171-EL-BTX.

These errors in my Initial Direct Testimony were completely unintentional and my statements were not made for the purpose of misleading the OPSB that I had qualifications beyond those I have earned.

Thank you for your time and consideration. Please contact me if you need additional information.

Sincerely,

Kathleen M. McGee
