Staff Interrogatories – Second Set

Question 1: In your response dated 3/13/12 you stated, **“There is currently no internet at the location. The picture shows the generation and the day it was taken.”**

The documentation you provided is insufficient to establish a date you can go back to for Ohio’s purposes. If you have other documentation that shows that system was generating in March please submit it, if not then the month you can report from will be the month the facility is certified in Ohio.

Answer 1: Then the month that we report it from is fine for it to start.
