MOTION FOR APPROVAL OF WAIVER

Now comes Aqua Ohio, Inc., (hereinafter "Aqua"), by and through counsel, and for the reasons set forth in the attached Memorandum in Support, respectfully requests that the Public Utilities Commission of Ohio (hereinafter "Commission"), pursuant to Ohio Administrative Code Section ("O.A.C.") §4901:1-15-02(B)(3), grant a waiver of certain non-material publication requirements in the Commission's March 14, 2012 Entry ("Entry") in Case Nos. 12-720-WS-ACN; 12-721-WS-ATC; 12-722-WS-ATA. Specifically, Aqua requests that the Commission waive the requirement to publish a legal notice in a section of the newspapers of general circulation other than the legal notice section of newspapers. The reasons for this motion are set forth in the attached memorandum in support.

MEMORANDUM IN SUPPORT

I. Background.

On February 21, 2012, as amended on March 6, 2012, Aqua filed an application in Case No. 12-720-WS-ACN seeking to change the name of Ohio American Water Company (“Ohio American”) to Aqua Ohio Water Company, Inc. Also on February 21, 2012, Aqua filed an application in Case No. 12-721-WS-ATC seeking to transfer all of Ohio American’s Certificates of Public Convenience and Necessity to Aqua Ohio Water Company, Inc. Aqua also requested, *inter alia*, that Ohio American be removed from the Commission’s rolls subsequent to the closing of the stock purchase agreement and Aqua Ohio Water Company, Inc.’s adoption of Ohio American’s tariff, including its existing rate structure. In Case No. 12-722-WS-ATA, Aqua requested approval to change the tariff sheets to reflect the new name change and approval to change the bill format to be consistent with other divisions of Aqua.

In the Commission’s March 14, 2012 Entry, the Commission found that Aqua’s application to transfer certificates was in compliance with the Commission’s rules and that the application appeared to be complete. Entry at 3, Finding (6) (attached hereto as Attachment 1). In accordance with O.A.C. § 4901:1-15-04, the Commission instructed Aqua to “cause publication of legal notice one time, on or before March 18, 2012, in each county affected by the applications.” *Id.* Further, the Commission found that “[p]ublication should be made [*sic*] in a newspaper of general circulation with such county and should occur in a section other than the legal notice section of the newspaper.” *Id.* The Commission provided a model of the legal notice for publication, which revised the proposed legal notice for publication submitted with Aqua’s application. *Id.*

Prior to the issuance of the March 14, 2012 Entry, Aqua caused to be published in newspapers of general circulation the proposed legal notice submitted as an exhibit to the application, attached hereto as Exhibit A. Aqua provided the legal notice prior to issuance of the

Entry because Aqua is under considerable time constraints with respect to receiving regulatory approval of the February 21, 2012 applications and closing the already approved stock purchase transaction, which was tentatively scheduled for the first week in April, 2012. It is in this context that Aqua respectfully requests the Commission for the waivers described herein in Entry to effectuate the timing of the stock purchase transaction.

II. Request for Waivers.

Upon motion and supporting memorandum by a party, Ohio Administrative Code Section 4901:1-15-02(B)(3) permits the Commission to waive any requirement, rule, or standard set forth in O.A.C. Chapter 4901:1-15, which governs waterworks companies and sewage disposal system companies. The party requesting the waiver must show good cause for such waiver. *Id.* Aqua requests two waivers in connection with the Commission's March 14, 2012 Entry accepting Aqua's application for, *inter alia*, transference of Certificates of Public Convenience and Necessity.

First, Aqua requests a waiver from the Commission's Entry requiring Aqua to publish the legal notice in a section of the newspaper other than the legal notice section of the newspaper. As previously noted, Aqua published the legal notice prior to the issuance of the Entry and did so in the legal notice section of the newspapers of general circulation in the areas affected by the application. While the Commission certainly has the authority to direct parties to publish legal notices as the Commission deems appropriate, the Commission's rules do not specifically require that legal notice be filed "in a section other than the legal notice section of the newspaper." The legal notice that Aqua published (Exhibit A) meets all of the requirements for publication of a legal notice following the acceptance of an application for approval to transfer certificates of public convenience and necessity, as set forth in O.A.C. §§ 4901:1-15-04 and 4901:1-15-05. The notice was provided in newspapers of general circulation in the affected counties, so that all customers were afforded substantively ample legal notice and were provided with an opportunity

to comment. Accordingly, Aqua requests a waiver from the Entry requiring Aqua to publish the legal notice in a section other than legal notice section.

Additionally, it should be noted that upon approval of Aqua's application, Aqua will provide customer notices directly to Aqua's customers that will include the same material terms as the legal notice published in the newspapers. Consequently, Aqua's customers will have proper notice of the change in name and other aspects of the filing.

Second, Aqua requests a waiver of the use of the precise language set forth in the legal notice provided in the Entry. The legal notice that Aqua published prior to the issuance of the Entry has certain minor, non-material and non-substantive differences than the legal notice set forth in the Entry. Any difference in the language of the legal notices reflect inconsequential stylistic changes and minor wording changes that do not change any material term of the legal notice. Accordingly, Aqua requests a waiver from the Commission to use the legal notice attached as Exhibit A previously published in newspapers of general circulation in the areas affected by Aqua's application.

ENTRY

The Commission finds:

- (1) Pursuant to its February 14, 2012, Finding and Order in Case No. 11-5102-WS-ATR (11-5102), *In the Matter of the Joint Application of American Water Works Company, Inc., Ohio American Water Company, and Aqua Ohio Inc. for Approval of the Purchase of Common Stock of Ohio American Water Company by Aqua Ohio Inc.*, the Commission approved the stock purchase agreement whereby 100 percent of Ohio American Water Company's (Ohio American) outstanding stock held by American Water Works Company, Inc. was purchased by Aqua Ohio Inc. (Aqua Ohio). Ownership of all of the assets held by Ohio American remained under the control of Ohio American and Ohio American continued to provide service under its existing Certificates of Public Convenience and Necessity.
- (2) On February 21, 2012, as amended on March 6, 2012, Aqua Ohio filed an application in Case No. 12-720-WS-ACN (12-720) seeking to change the name of Ohio American to Aqua Ohio Water Company, Inc. Also on February 21, 2012, Aqua Ohio filed an application in Case No. 12-721-WS-ATC (12-721) seeking to transfer Ohio American's Certificate of Public Convenience and Necessity No. 12 for the purpose of provisioning water service. In particular, Aqua Ohio requests that the reissued certificate reflect the change in name of Ohio American to Aqua Ohio Water Company, Inc. Further Aqua Ohio seeks the transfer of Ohio American's

Certificates of Public Convenience and Necessity to provide sewer service. Specifically, Aqua Ohio requests that Amended Certificate No. 1, Amended Certificate No. 10, and Amended Certificate No. 17 be transferred to Aqua Ohio Water Company, Inc. and consolidated into an Amended Certificate No. 1.

As part of its application in 12-721, Aqua Ohio requests that Ohio American be removed from the Commission's rolls subsequent to the closing of the transaction in 11-5102, inasmuch as Ohio American will no longer be a water-works company or a sewage disposal company as defined under Sections 4905.03(A)(7) and 4905.03(A)(13), Revised Code, or a public utility as defined under Section 4905.02, Revised Code.

- (3) Further, Aqua Ohio Water Company, Inc. seeks the adoption of Ohio American's tariff, including its existing rate structure. Aqua Ohio notes that following the closing of the transaction approved by the Commission in 11-5102, it will provide service to Ohio American customers under the rates, rules, and terms and conditions set forth in Ohio American's existing tariff. Aqua Ohio notes that following any rate change for customers pursuant to Ohio American's pending rate application in Case No. 11-4161-WS-AIR, *In the Matter of the Application of Ohio American Water Company to Increase its Rates for Water and Sewer Services*, Aqua Ohio Water Company, Inc. will charge the rates ordered by the Commission. Pursuant to its request in Case No. 12-722-WS-ATA (12-722), Aqua Ohio submitted revised tariff sheets with an effective date as of the closing date of transaction in 11-5102 reflecting the change in name of the service provider from Ohio American to Aqua Ohio Water Company, Inc. Additionally, Aqua Ohio seeks the authority to change the bill format of Aqua Ohio Water Company, Inc. to be consistent with the bill formats of the other divisions of Aqua Ohio, Inc.
- (4) In support of its applications, Aqua Ohio states that upon the closing of the transaction approved by the Commission in 11-5102, Aqua Ohio will own all of Ohio American's stock, will operate Ohio American's water and sewer systems, and will be responsible for providing high quality and reliable water and sewer service to customers of Ohio American. Additionally, Ohio American's customers will become customers of Aqua Ohio Water Company, Inc.

- (5) Finally, Aqua Ohio requests that the Commission approve the submitted applications without a hearing.
- (6) The application to transfer certificates is in compliance with the Commission rules and appears to be complete. Therefore, the application shall be accepted by the Commission. In accordance with Rule 4901:1-15-04, Ohio Administrative Code, Aqua Ohio should cause publication of legal notice one time, on or before March 18, 2012, in each county affected by the applications. Publication should be made in a newspaper of general circulation with such county and should occur in a section other than the legal notice section of the newspaper.
