Effective: April 30, 2012

In Accordance with Case No. 12-1110-TP-BLS
Issued by the Public Utilities Commission of Ohio
Aaron Jones, CEO
Carrollton, Ohio

EXHIBIT C

In this Application, Pattersonville Telephone Company requests BLES pricing flexibility in order to increase its BLES rates for both business and residential customers in its exchange, as reflected in Exhibit B. Obtaining flexible pricing at this point in time is essential for the company in order for it to make progress in reaching the universal service “rate floor” set forth in the FCC’s Report and Order and Further Notice of Rulemaking, Docket Nos. WC Docket No. 10-90 et al., FCC 11-161 (Released November 18, 2011).

The changes proposed herein will affect the company’s business and residential basic local exchange service customers, as their BLES rates will increase. The changes will not, however, affect BLES rates for customers receiving lifeline service under R.C. 4927.13, in accordance with R.C. 4927.12(C)(4).

The Company also takes this opportunity to correct the rate for Touch Tone service, which should be \$1.50 rather than \$1.00. This change represents a correction, not an increase in rate.

EXHIBIT D
(Customer Notices)

The customer notice attached hereto will be mailed to customers on March 29, 2012. On March 26, 2012, the notice was forwarded to the Commission-provided electronic mailbox (Telecomm-Rule07@puc.state.oh.us) in accordance with Ohio Adm. Code 4901:1-6-14(F)(5). The notice was also served on the Office of the Ohio Consumers' Counsel on March 29, 2012. The executed affidavit will be filed in this docket after the customer notices mail on March 29, 2012.

March 29, 2012

Dear Customer:

Beginning on May 1, 2012, Pattersonville Telephone Company will implement a revised rate schedule for basic local exchange service for customers throughout its exchange areas, both within and outside the Base Rate Area. The affected services and revised rates will be as follows:

Service	Current Monthly Rate	Monthly Rate Beginning on May 1, 2012
Business Line	\$5.75	\$7.00
Residence – Individual Line	\$4.75	\$6.00

The new rates, which will become effective on May 1, 2012 represent an increase of \$1.25 above the current rates for those services. The increase is necessary so that we may continue to provide our customers with excellent telephone service.

Please note that the increased rates reflected above will not apply to Lifeline customers.

If you have any questions about the revised rates, please call us at (330) 895–4391. Thank you for choosing us as your telephone service provider.

Sincerely,

Pattersonville Telephone Company

EXHIBIT E

Pursuant to R.C. 4927.12(C)(3)(a) and Ohio Adm.Code 4901:1-6-14, Pattersonville Telephone Company (“Pattersonville”) may not alter its BLES rates upward for an exchange area unless the carrier first applies to the Public Utilities Commission of Ohio and the Commission determines that the application demonstrates that two or more alternative providers offer, in the exchange area, competing service to the BLES service offered by the company in the exchange area, regardless of the technology and facilities used by the alternative provider, the alternative provider’s location, and the extent of the alternative provider’s service area within the exchange area. An alternative provider, under R.C. 4927.12(C)(3)(a), includes a telephone company, including a wireless service provider, a telecommunications carrier, and a provider of internet protocol-enabled services, including voice over internet protocol.

As a threshold matter, the Commission has not previously determined that Pattersonville’s exchanges qualified for alternative regulation of BLES.

In accordance with R.C. 4927.12(C)(3)(a), the information attached hereto demonstrates that two or more alternative providers, namely Verizon Wireless and Vonage, offer competing service to the BLES service offered by Pattersonville in its exchange.
