RE: Cox Ohio Telcom, LLC n the Matter of Case No. 10-2387-TP-COI

Ms. Palmer,

Pursuant to the Public Utilities Commission of Ohio's ("PUCO") February 29, 2012 Entry in the above mentioned case, Cox Ohio Telcom, LLC ("Cox") will not be filing a revision to its Intrastate Access Service Tariff, PUCO Tariff No.1. As indicated in section 3.10.2 reflected on Original Page 56 of that tariff, Cox concurs in the AT&T Intrastate Local Switching rates. However, AT&T's Ohio Intrastate Access Tariff No. 20 refers to Ameritech FCC Tariff No. 2.

Rates contained in Cox's Interstate Access Service Tariff No. 4 are also at parity with the ILEC. As such both Cox intrastate and interstate rates are the same and are at parity with the ILEC interstate rates.

Please do not hesitate to call if you need additional information.

Sincerely,

Elizabeth Carnes
Director, Regulatory Affairs-Operations

cc: Robert Howley
