RE: Hess Corporation- Renewal Certification for Competitive Retail Natural
Gas Suppliers Update
Certificate Number: 04-080(3)
Case Number: 04-0683-GA-CRS

Dear Secretary McNeal:

On March 26, 2012, pursuant to Chapter 4901:1-27 of the Ohio Administrative Code, Hess Corporation ("Hess") filed its Renewal Application for its Competitive Retail Natural Gas Supplier Certification in the above-referenced docket. It has come to our attention that we need to update our response to A-11. Besides providing or intending to provide service in the Columbia Gas of Ohio and Dominion East Ohio service territories, Hess also provides or intends to provide service in the Duke Energy Ohio and Vectren Energy Delivery of Ohio service territories for residential, small commercial and/or large commercial/industrial customers. Please accept this letter as Hess' update to its March 26, 2012 renewal application.

I have also enclosed an additional copy of this letter. In order to assist with our recordkeeping, please file stamp the additional copy and return it to me in the self-addressed stamped envelope. If you have any questions, please do not hesitate to contact me at 732.750.7058. Thank you in advance for your attention in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. A. Cetola', written in a cursive style.
