

**Ohio American Water Company  
Franklin County District**

**Remedial Report for Unaccounted for Water  
Actions/Progress Made in 2012 1st Quarter**

- 1) Continued to examine all reported “zero consumption” accounts for more than three (3) consecutive months for consumption.
  - a. Zero consumption meter readings have been verified that they are vacant, closed or no active accounts.
  - b. Consecutive estimate are down to less than one (1) for any single account. Therefore water accounting by actual reading of meters appears correct.
- 2) Obtained actual readings on all water service meters 3” and larger.
  - a. All 3” and larger meters have been read.
- 3) Since all service areas’ water meters are read every month, meter readers have watched for potential water leaks while performing their meter reading routes.
- 4) Repaired all reported company leaks within seven (7) days of verification of leak

**Ohio American Water Company  
Franklin County District**

**Remedial Report for Unaccounted for Water  
Actions Plan for 2012 2nd Quarter**

- 1) Review Huber Ridge UFW to check for seasonal variations.
- 2) Sound fire hydrants in the Huber Ridge service areas for non-surfacing leaks.
- 3) Continue to have meter reads survey water lines along their meter routes each month for indications of leaks.
