**MEMORANDUM IN SUPPORT OF MOTION TO INTERVENE**

---

The Edgemont Neighborhood Coalition (“Edgemont”) should be permitted to intervene in these matters pursuant to Section 4903.22.1, Revised Code, and the Commission’s Rules and Regulations contained in Rule 4901-01-11 of the Ohio Administrative Code. The applications made by The Dayton Power and Light Company (“DP&L”) request approval for a market rate option to establish the standard service offer, revised tariffs, accounting authority, a waiver of certain Commission rules, and the establishment of tariff riders.

The following criteria are to be considered in determining whether to permit intervention: the nature of the person's interest; the extent to which that interest is represented by existing parties; the person's potential contribution to a just and expeditious resolution of the proceedings; and whether granting the intervention will unduly delay or unjustly prejudice any existing party.

Edgemont is a non-profit corporation based in a low income, African American neighborhood in Dayton, Ohio. The neighborhood is in the DP&L service territory. Edgemont works to expand economic and education opportunities and improve the quality of life for its members and all residents of the neighborhood. Access to affordable electric service is a large concern of Edgemont members. Edgemont also functions as a small business, operating an office, storefront, community garden, and community computer center. Edgemont has long been concerned with utility matters and for the past twenty years has actively participated in numerous cases before the PUCO, including cases involving DP&L.

Edgemont's primary interest in these matters is to protect the interests of low income customers of DP&L, including people who live in the Edgemont neighborhood, whose electric service will be affected by these applications. Further, Edgemont has been recognized by the Commission in the past as an advocate for low-income consumers.

For the above reasons, Edgemont has a direct, real and substantial interest in these matters. The disposition of these matters may impair or impede the ability of Edgemont to protect its interests. No other party will adequately represent the interests of Edgemont. Edgemont's participation in these matters will not cause undue delay, will not unjustly prejudice

any existing party, and will contribute to the just and expeditious resolution of the issues raised by these matters.

Therefore, Edgemont is entitled to intervene in these matters with the full powers and rights granted by statute and by the provisions of the Commission's Code of Rules and Regulations to intervening parties.

Respectfully submitted,

---
