ENTRY

The attorney examiner finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in Section 4905.02, Revised Code, and, as such, is subject to the jurisdiction of this Commission.
- (2) On March 30, 2012, DP&L filed an application for a standard service offer (SSO) pursuant to Section 4928.141, Revised Code. This application is for a market rate offer in accordance with Section 4928.142, Revised Code. Additionally, DP&L filed accompanying applications for approval of revised tariffs, for approval of certain accounting authority, for waiver of certain Commission rules, and to establish tariff riders.
- (3) By entry issued April 18, 2012, the attorney examiner issued a revised procedural schedule in this proceeding, providing that, *inter alia*, a prehearing conference should be held on April 30, 2012.

- (4) Thereafter, on April 26, 2012, DP&L filed a motion to reschedule the prehearing conference for May 8, 2012. In its memorandum in support, DP&L states that a one-week extension is necessary because DP&L is developing a confidential settlement proposal that is not yet complete.
- (5) The attorney examiner finds that DP&L's motion to reschedule the prehearing conference is reasonable and should be granted. Therefore, the prehearing conference shall be rescheduled for May 8, 2012, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 11th Floor, Hearing Room 11-A, Columbus, Ohio 43215. Finally, the attorney examiner notes that all other portions of the procedural schedule set forth in the April 18, 2012, entry shall remain in effect.

It is, therefore,

ORDERED, That the prehearing conference be rescheduled as set forth in Finding (5). It is, further,

ORDERED, That a copy of this Entry be served upon all parties of record.
