RE: BullsEye Telecom, Inc.
Revision for P.U.C.O. Tariff No. 2 (Access)
Case No. 12-1447-TP-ATA

Dear Ms. McCauley:

Attached for filing please find the above referenced tariff filing and application submitted on behalf of BullsEye Telecom, Inc. ("Company"). This filing revises access rates and removes services and rates not being billed by the Company.

BullsEye provides switched access services only in AT&T, CenturyLink and Frontier service territories. For all three of those ILECs, their Ohio intrastate and interstate switched access rates are identical. BullsEye's current intrastate access rates already match those of the ILECs with only a few exceptions. Therefore, the only rate changes made in this filing are to bring all rate elements in line with the corresponding ILEC.

Because these rate changes will now fully mirror the interstate, no rate calculations are provided and no further compliance revisions will be made in the future other than to maintain parity with future interstate rates as required by the FCC.

In addition to the revisions required pursuant to the FCC order and PUC rules, this filing also deletes certain rates and charges that do not apply to BullsEye's access services and which are not being billed.

The following tariff pages are included with this filing:

7 th Revised Page 3	Updates Check Sheet
2 nd Revised Page 47	Deletes AT&T Territory Rates
2 nd Revised Page 48	Revises AT&T Territory Tandem Switching Rates
