Re: Case No. 12-0812-GA-RDR  
Case No. 89-8006-GA-TRF

Dear Ms. McNeal:

Pursuant to the Commission's April 25, 2012 Opinion and Order in Case No. 12-0812-GA-RDR, enclosed for filing, on behalf of The East Ohio Gas Company d/b/a Dominion East Ohio, are four copies of the Pipeline Infrastructure Replacement (PIR) Cost Recovery Charge tariff (Fifth Revised Sheet No. PIR 1). The attached tariff sheets correct an inadvertent scrivener's error included on the tariff sheets filed on April 26, 2012.

Pursuant to the April 25, 2012 Opinion and Order, the Commission approved a DTS rate of \$0.0384. On the tariff sheets filed on April 26, 2012, this rate included an extra zero due to an improperly placed decimal point. The attached tariff sheets correct this mistake.

Please file a copy of this tariff in the above-referenced dockets, and distribute the remaining two copies to the Rates and Tariffs, Energy and Water Division of the Commission's Utilities Department.

Please call me if there are any questions.

Very Truly Yours,

  
Melissa L. Thompson
