The Public Utilities Commission of Ohio
TELECOMMUNICATIONS SUPPLEMENTAL APPLICATION FORM
for CARRIER CERTIFICATION

Exhibits

Tariffs

Applicant does not propose to offer Basic Local Exchange Service ("BLES") as defined pursuant to Ohio Revised Code §4927.01(A)(1). Applicant's *Telecommunications Retail Service Offering Form for Non-BLES Carriers* and tariff in compliance with Chapter 4901:1-6 are attached hereto. Applicant's switched access tariff is also attached.

Description of Services

Description of Proposed Services

Applicant seeks authority to provide competitive local exchange and interexchange services in Ohio. Applicant proposes to provide local exchange and interexchange services telecommunications services to residential and commercial subscribers. Specifically, Applicant proposes to provide local exchange services bundled with related custom calling features, intraLATA and interLATA toll services, operator assisted calling exclusively to subscribers of record, directory assistance, and other non-regulated services. Applicant does not propose to offer alternative operator services to the transient public. Applicant's services will be available to subscribers twenty-four hours per day, seven days per week, at rates, terms and conditions established by Applicant and reflected in Applicant's tariffs and informational service guide. Services will be offered and provided in accordance with applicable Ohio laws and Commission rules and regulations.

Description of the general geographic area served

Applicant proposes to provide local exchange services in the AT&T Ohio, CenturyLink (formerly United), Cincinnati Bell, and Frontier (formerly Verizon North) local exchange service territories. Applicant will adopt the incumbents' local exchange operating territories in Ohio as its own.

Explanation of how the proposed services in the proposed market area are in the public interest

Applicant maintains that approval of the instant Application is in the public interest. As demonstrated herein, Applicant possesses the technical, financial, and managerial ability to serve the public in Ohio as a facilities-based and non-facilities-based competitive local exchange and non-facilities-based interexchange carrier. Applicant proposes to provide bundled local services and expand service options for customers in Ohio, and will increase and facilitate competition in Ohio by expanding the diversity of suppliers within the telecommunications market place without any adverse impact on the Department's goals of universal service and affordable telecommunications services for the residents of Ohio.

The Applicant's participation in the local exchange and interexchange telecommunications services markets in Ohio will promote consumer choice by expanding the ability of innovative, high quality, reliable and competitively priced telecommunications services. The granting of this Application also is likely to compel other local telecommunications providers to improve their existing services, increase the quality and efficiency of their operations, and introduce innovative new services of their own. Moreover, the addition of the Applicant to the Ohio local telecommunications market makes it likely that consumers of telecommunications services in Ohio will receive the benefits of downward pressure on prices, improved customer responsiveness and access to increasingly advanced telecommunications technology.

Applicant has successfully provided these services in Ohio since 2008, and is reapplying for authority following revocation of its certificate in light of the absences of evidence confirming that the Company indeed filed its 2011 annual report for calendar year 2010.

Description of the class of customers (e.g., residence, business) that the applicant intends to serve

Applicant proposes to provide service to residential and commercial subscribers.

Business Requirements

Documentation attesting to the applicant's proposed interactions with other Carriers

Explanation as to whether rates are derived through (check all applicable): interconnection agreement retail tariffs resale tariffs

Applicant's rates are derived through interconnection agreements and retail tariffs.

Explanation as to which service areas company currently has an approved interconnection or resale agreement.

None. Applicant maintains an interconnection agreement with incumbent local exchange carriers, as is a matter of record with the Commission.

A notarized affidavit accompanied by bona fide letters requesting negotiation pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 and a proposed timeline for construction, interconnection, and offering of services to end users.

Applicant does not plan to construct facilities. Applicant will provide local exchange service in Ohio via leased network facilities and resale. Interexchange telecommunications services will be provided via resale.

Documentation attesting to the applicant's proposed interactions with Customers

A sample copy of the customer bill and disconnection notice the applicant plans to utilize.

A sample customer bill and disconnection notice is attached hereto at **Exhibit F**.

Provide a copy of any customer application form required in order to establish residential service, if applicable.

Applicant does not propose to use a customer application form to establish residential service.

For CLECs, List of Ohio ILEC Exchanges the applicant intends to serve
(Use spreadsheet from: http://www.puc.state.oh.us/puco/forms/form.cfm?doc_id=357)

A listing of applicable exchanges is attached hereto at **Exhibit G**.

If Mirroring the entire ILEC local service areas, tariffs may incorporate by reference. If not mirroring the entire ILEC local exchange areas, the CLEC shall specifically define its local service areas in the tariff.

Applicant will mirror the Ohio local exchange service territories of AT&T, CenturyLink (formerly United Telephone dba Embarq), Frontier (formerly Verizon North), Cincinnati Bell, and any subsequent incumbent local exchange carrier with whom Applicant enters into an interconnection agreement.
