COMMENT DESCRIPTION:

Once again Duke is asking for an increase. I'm asking the PUCO to JUST SAY NO! Enough is enough, give the consumer a break from all these rising prices.

Subject: Tell Duke: Clean & Green for New Richmond!

Jun 11, 2012

Public Utilities Commission

Duke ratepayers want clean energy!

Duke Energy should move forward with energy efficiency and renewables like wind and solar. NOW IS THE TIME FOR AN END TO THE USE OF ALL DIRTY ENERGIES AND FOSSIL FUELS, WHILE TRANSITIONING TO CLEAN, SUSTAINABLE ENERGIES.

We have a responsibility to provide green jobs to workers in communities affected by coal plant retirement. Duke can make this transition easier for the New Richmond community by focusing their economic development fund on clean energy.

Sincerely

Mr. Jason Kamalie
