RE: 345/13//69 kV Biers Run Station Project
Revised Date for the Public Informational Meeting (PIM)
New PIM Date: Monday, June 25, 2012
Case No. 12-1361-EL-BSB

Dear Mr. Pawley,

As referred in my electronic memo to you on June 8, 2012 and discussed on the telephone with you on June 11, 2012, the Public Informational Meeting for the Biers Run Substation Project has to be rescheduled for Monday, June 25, 2012. Below is an explanation for the rescheduled meeting.

Originally, the Public Advertisement was planned to be published on Saturday, June 2, 2012, announcing the Public Informational Meeting for Wednesday, June 13, 2012. Due to problems with AEP Ohio's- Ad Placement Contract Coordinator, the advertisement was not published. Since we could not adhere to the OPSB's requirement to publish an advertisement 7-14 days before the Public Informational Meeting, we had to cancel and reschedule this meeting.

The new meeting is scheduled for Monday, June 25, 2012. The advertisement announcing this Public Informational Meeting will be published in the Chillicothe Gazette on Saturday, June 16, 2012. I apologize for any confusion that this has caused the OPSB, residents and public officials.

Please make the appropriate corrections on the OPSB Website and inform the necessary Staff. I look forward to seeing you at this rescheduled Public Informational Meeting.

Sincerely,

A handwritten signature in black ink that reads 'Scott T. Joseph'. The signature is written in a cursive style with a long horizontal line extending to the right.

Scott T. Joseph
Project Manager – Major Projects
American Electric Power
