ENTRY

The Commission finds:

- (1) Section 4905.14, Revised Code, requires that every public utility, as defined by Sections 4905.02 and 4905.03, Revised Code, shall file an annual report at the time and in the form prescribed by the Commission. Section 4907.20, Revised Code, requires all intrastate railroad companies, including bridge and water transportation companies engaged in the conveyance of persons or property within this state as defined in Section 4907.02, Revised Code, to complete forms as directed by the Commission. Section 4928.06, Revised Code, requires every certified competitive retail electric service (CRES) provider and governmental aggregator subject to certification under Section 4928.08, Revised Code, to file an annual report of sales and receipts for those services for which it is subject to certification. Section 4929.23, Revised Code, requires every retail

natural gas supplier (gas marketer) and governmental aggregator subject to certification under Section 4929.20, Revised Code, to file an annual report of sales and receipts for those services for which it is subject to certification.

- (2) On February 14, 2012, the Commission issued an entry in each of the above-captioned cases directing the filing of reports by April 30, 2012. Each reporting entity was directed to file its annual report with the Commission even if the company was not in business or did not have intrastate gross earnings during calendar year 2011. Furthermore, entities were apprised that failure to file an annual or assessment report might result in revocation of a company's operating authority or certificate; and that any public utility's failure to comply may result in the assessment of penalties, pursuant to Section 4905.54, Revised Code.
- (3) Section 4905.10(A), Revised Code, requires that any reporting entity pay at least \$100 minimum assessment regardless of intrastate gross revenues. While in past years, the Commission has not enforced this provision for entities who reported no Ohio intrastate gross revenues. All reporting entities were notified that the Commission will now be assessing the \$100 minimum for all reporting entities, including brokers and governmental aggregators who have no intrastate gross revenues.
- (4) Section 4905.54, Revised Code, empowers the Commission to assess a forfeiture of not more than \$10,000 per day for each violation or failure of a public utility or railroad, or an officer of a public utility or railroad, to comply with an order, direction, or requirement of the Commission made under authority of Chapter 4905, Revised Code.
- (5) The attached lists for each of the captioned annual report cases show those reporting entities that have failed to file their reports, or request extensions. Each reporting entity that has not yet filed its annual report should do so no later than June 25, 2012, or file a request for waiver by that date. Failure to do so may result in the revocation of the entity's operating authority and/or the assessment of a forfeiture, pursuant to Section 4905.54, Revised Code. Moreover, all reporting entities that are required to submit annual reports to the Ohio Consumers' Counsel should do so by June 25, 2012.

- (6) In Case No. 12-03-GE-RPT, those reporting entities that hold certifications for both gas and electric are reminded that this year they should be filing reports for both certificates. Those companies that have already filed a combined report should file a statement to that effect by June 25, 2012, but need not refile separate reports for this year.
- (7) Requests for an additional 30-day extension were filed in Case No. 12-05-TP-RPT by Doylestown Communications, Inc., and in Case No. 12-06-TP-RPT by Sycamore Telephone Company, Pattersonville Telephone Company, and Doylestown Telephone Company. These companies will be granted until June 30, 2012 to file their reports or request a waiver.

It is, therefore,

ORDERED, That each reporting entity that has not yet filed its annual report as shown on the attached lists, do so no later than June 25, 2012, and send a copy to the Ohio Consumers' Counsel if required to do so. It is, further,

ORDERED, That Doylestown Communications, Inc. Sycamore Telephone Company, Pattersonville Telephone Company, and Doylestown Telephone Company file their reports or request a waiver by June 30, 2012. It is, further,

ORDERED, That notice of this entry be served via each industry listserve. It is, further,

ORDERED, That a copy of this entry be served by electronic mail if available and by regular mail upon each listed reporting entity that has not yet filed its annual report.
