Re: Order No. 93-487-TP-ALT
Order No. 94-1822-TP-ATA
Order No. 90-5032-TP-TRF

To The Honorable Commission:

Three copies of each of the following sheets of the Exchange and Network Services Tariff, P.U.C.O. No. 1 and Private Line Service Tariff, P.U.C.O. No. 2, issued by The Ohio Bell Telephone Company, are attached for filing in compliance with the requirements of the law relating to Public Utilities.

Exchange and Network Services Tariff, P.U.C.O. No. 1

<u>Section</u>	<u>New Tariff Sheet No.</u>	<u>Cancelled Tariff Sheet No.</u>
5	4th Revised No. 96	3rd Revised No. 96

Private Line Service Tariff, P.U.C.O. No. 2

11th Revised No. 48	10th Revised No. 48
---------------------	---------------------

These sheets are effective January 9, 1995, and are issued in accordance with Finding and Order No. 93-487-TP-ALT, dated November 23, 1994 and Commission Entry in Case No. 93-487-TP-ALT, dated January 5, 1995.

The Private Line Sheet was filed in Order No. 94-1822-TP-ATA on November 10, 1994, and issued by virtue of Order No. 84-944-TP-COI, dated April 9, 1985. The 11th Revised Sheet No. 48 is being submitted because the previous 10th Revised Sheet No. 48, submitted under the letter dated January 6, 1995, regarding Order Nos. 93-487-TP-ALT and 94-1822-TP-ATA, should have been printed as the 11th Revision. The only change is the sheet revision number.

The Exchange and Network Services Tariff Sheet had some information lost when it was changed from the 2nd Revised Sheet No. 96, effective December 23, 1994, in Order No. 94-1693-TP-ATA to the 3rd Revised Sheet No. 96, effective January 9, 1995, pursuant to Order No. 93-487-TP-ALT, dated January 5, 1995. The change is to put the lost information back.

Also attached are three copies of the Pricing Lists which were inadvertently omitted from the attachments to the letter dated January 6, 1995, regarding Order Nos. 93-487-TP-ALT and 94-1822-TP-ATA.

Acknowledgment and date of receipt of this filing are requested. A duplicate transmittal letter is attached for this purpose.

Very truly yours,

A handwritten signature in dark ink, appearing to read "D. R. McKenzie". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

D. R. McKenzie
Director - Tariff Management

2. EXCHANGE SERVICE OFFERINGS (Cont'd)

2.6 Ameritech ISDN Prime (Cont'd)

F. Rates and Charges

1. General

- (a) The rate structure for each Ameritech ISDN Prime shall include charges for an Ameritech ISDN Prime including optional features (see 2. following), an Ameritech DS1 Service Local Distribution Channel and End User Common Line Charges (EUCL). These charges represent the physical components of the customer's service.
- (b) WATS Service and Custom 800 Service are available over the Ameritech ISDN Prime at their current tariff charges. Any available CO features (Custom Calling) are also available at additional charges.
- (c) Calls will be subject to the usage charges for the services provisioned on the channels. Measured Local Message Charges for usage will apply to Local Service Area voice and circuit switched data calls provisioned on the channel. Message Toll charges will apply to calls outside the Local Service Area. Custom 800 and WATS usage charges apply. Packet Switched Network Service call usage charges apply.
- (d) Standard features and capabilities for "B" channel Packet Switched Data are provided as shown for Packet Switched Network using X.25 protocol. Optional features and capability charges apply for Packet Switched Network Service using X.25 protocol.
