No. 5 filed with the Federal Communications Commission by the National Exchange Carrier Association ("NECA Tariff") as such tariff now exists, or as it may be revised, added to or supplemented by superseding sheets or issues; provided however, that the regulations, rates and charges specified in Section 4, End User Access Service, have been excluded from intrastate customers by order of the Public Utilities Commission of Ohio. In addition to rates set forth in the NECA Tariff, where applicable, certain rates, terms, and conditions for switched access services, including Intrastate Carrier Common Line Access Service, are set forth herein.
