Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!

Chairman Snitchler,

Ohio consumers have already saved \$56 million on their electric bills, and Ohio is a leader in green job growth due to the passage of Ohio's landmark clean energy legislation.

Please continue progress on clean energy to create new jobs, sustain existing jobs, save Ohio customers even more money, and make Ohio a leader in energy efficiency and renewable energy.

- Support existing energy efficiency and renewable energy programs as well as the creation and implementation of new programs.
- Hold First Energy to the same standards as American Electric Power, Dayton Power & Light, and Duke Energy.
- Encourage all Ohio electric utilities to over-comply with annual energy efficiency and renewable energy standards.

Ohioans deserve all the environmental, public health, and economic benefits that a clean energy economy provides!
