**STATEMENT OF  
STATUS OF ISSUE RESOLUTION**

---

On May 10, 2012, the Attorney Examiner issued an Entry in Case No. 12-1423-GA-RDR in which he established, *inter alia*, a deadline of August 2, 2012, by which Vectren Energy Delivery of Ohio, Inc. ("VEDO") is to file a statement informing the Public Utilities Commission of Ohio ("Commission") whether the issues raised in the comments filed by the Staff of the PUCO ("Staff") and Office of the Ohio Consumers' Counsel ("OCC") on July 27, 2012 have been resolved.

VEDO, the Staff, and OCC have reviewed and discussed the issues raised in the comments. At this time, VEDO generally concurs with the recommendations made in Staff's comments, and has identified an additional issue which is being raised and discussed with Staff. VEDO believes that some, if not all, of the issues raised by OCC may be able to be resolved.

VEDO intends to continue discussions with Staff and OCC in the next few business days with the hope and intent of resolving all issues. If these discussions suggest additional time may be necessary to permit a stipulated

resolution, or to provide additional comments or evidence, the appropriate request for a continuance will be made as soon as possible.

Respectfully submitted,
