

To: Gov. John Kasich (OH), State Sen. Tom Niehaus (OH-014), State Rep. William Batchelder (OH-069), State Sen. Shannon Jones (OH-007), State Rep. Peter Stautberg (OH-034), American Electric Power CEO (Nicholas Atkins), AEP Board President, fmr. CEO (Michael Morris), PUCO Chairman (Todd Snitchler), and AEP Ohio President & COO (Pablo A. Vegas)

Subject: **Don't make customers pay for your mistakes!**

Letter: AEP executives, PUCO members, and Ohio Statehouse Officials

I just signed the petition at Change.org/AEP, and I wanted to tell you directly how I feel.

* AEP executives Michael Morris, Nicholas Atkins, and Terri Flora: Don't submit the application requesting the PUCO to let you pass on "cleanup costs" of the recent storm to customers after making record profits of \$1.9 billion last year. This would be greedy, deceptive and unfair – and it would make me want to do business with a different power company that I can trust and respect.

* PUCO Chairman and Commissioners: If AEP Ohio does apply, reject their application outright. Their failure to plan for sever weather is not their customers' fault or responsibility. It is, however, your responsibility to "assure Ohioans adequate, safe, and reliable public utility services at a fair price."

* Ohio Elected Officials: Use your oversight powers – the ones you were elected to use on behalf of constituents – to ensure the PUCO acts in the best interests of Ohioans and rejects the application. I'm watching to see what happens, and I'll remember in November.

The "cleanup costs" passed on to customers from 2004, 2008, and 2012 combined are less than 15% of AEP Ohio's profits for 2011 alone. Only bad business planning and practices could explain asking customers to bear the cleanup costs.

I don't expect anyone to change the weather, but I do expect you to prepare for it and respond accordingly – just like my family and I do when we know a storm is coming. AEP customers and your constituents won't stand for corporate greed disguised as disaster cleanup, and we won't let our Public Utilities Commission help you, and we won't forget about it if our elected officials fail to act in our interests.

Do the right thing – make AEP pay to clean up its own mess.
