| Regulated Toll Bridge and Water Transportation Companies.                    | ) | Case No. 12-09-AU-RPT |

ENTRY

The Commission finds:

- (1) Section 4905.14, Revised Code, requires that every public utility, as defined by Sections 4905.02 and 4905.03, Revised Code, shall file an annual report at the time and in the form prescribed by the Commission. Section 4907.20, Revised Code, requires all intrastate railroad companies, including bridge and water transportation companies engaged in the conveyance of persons or property within this state as defined in Section 4907.02, Revised Code, to complete forms as directed by the Commission. Section 4928.06, Revised Code, requires every certified competitive retail electric service (CRES) provider and governmental aggregator subject to certification under Section 4928.08, Revised Code, to file an annual report of sales and receipts for those services for which it is subject to certification. Section 4929.23, Revised Code, requires every retail natural gas supplier (gas marketer) and governmental aggregator subject

to certification under Section 4929.20, Revised Code, to file an annual report of sales and receipts for those services for which it is subject to certification.

- (2) On February 14, 2012, the Commission issued an entry in each of the above-captioned cases directing the filing of reports by April 30, 2012. Each reporting entity was directed to file its annual report with the Commission even if the company was not in business or did not have intrastate gross earnings during calendar year 2011. Furthermore, entities were apprised that failure to file an annual or assessment report might result in revocation of a company's operating authority or certificate; and that any public utility's failure to comply may result in the assessment of penalties, pursuant to Section 4905.54, Revised Code.
- (3) Section 4905.10(A), Revised Code, requires that any reporting entity pay at least \$100 minimum assessment regardless of intrastate gross revenues. While in past years, the Commission has not enforced this provision for entities who reported no Ohio intrastate gross revenues, all reporting entities were notified that the Commission will now be assessing the \$100 minimum for all reporting entities, including brokers and governmental aggregators who have no intrastate gross revenues.
- (4) Section 4905.54, Revised Code, empowers the Commission to assess a forfeiture of not more than \$10,000 per day for each violation or failure of a public utility or railroad, or an officer of a public utility or railroad, to comply with an order, direction, or requirement of the Commission made under authority of Chapter 4905, Revised Code.
- (5) On June 13, 2012, the Commission issued an entry requiring that all annual reports or requests for waivers be filed by June 30, 2012. The entry also noted that failure to comply might result in the revocation of the entity's operating authority and/or the assessment of a forfeiture, pursuant to Section 4905.54, Revised Code.
- (6) The attached lists for each of the captioned annual report cases show those reporting entities that have failed to file their

reports or request waivers. Each reporting entity will be granted 10 days from the issuance of this entry to show cause why either its certification or operating authority should not be revoked, or the Commission should not assess a forfeiture of not more than \$10,000 per day for failures to comply with the Commission's February 14, or June 13, 2012 Orders. Any entity seeking to maintain or restore its certification or operating authority after that date may be assessed a forfeiture of \$100.00, pursuant to Section 4905.54, Revised Code. A copy of this entry should be served upon each listed entity by both regular and certified mail, in addition to any service via electronic mail.

It is, therefore,

ORDERED, That each reporting entity shown on the attached lists be granted until August 20, 2012 to show cause why its certification or operating authority should not be revoked. It is, further,

ORDERED, That notice of this entry be served via each industry listserve. It is, further,

ORDERED, That a copy of this entry be served upon each listed entity by both regular and certified mail, in addition to any service of notice via electronic mail.
