Dear Natural Gas Consumer:

As you may recall, a few months ago we informed you that your gas service would be returned to Columbia Gas of Ohio for the summer months before your community’s aggregation program restarts at an even lower rate. That time has arrived. As a reminder, under this program, residents in your community voted to approve the following Ordinances and Resolutions to form a single large buying group called a Governmental Aggregation for the purpose of securing favorable terms and pricing for natural gas deliveries on the Columbia Gas of Ohio (Columbia) system.

Community	Number	Date
Toledo	576-01	8/21/2001
Lucas County	01-1111	7/12/2001
Oregon	011-2002	1/28/2002
Sylvania	76-2001	7/9/2001
Northwood	2001-27	7/26/2001
Holland	6-2002	2/5/2002
Maumee	203-2002	11/4/2002
Lake Twp	112-03	1/6/2004
Perrysburg	137-2001	8/21/2001
Ottawa Hills	2010-12	8/10/2010
Perrysburg Twp	206-13	7/18/2006

To form an even larger group and secure additional purchasing power, your community chose to cooperate with other local communities and act in unison as the Northwest Ohio Aggregation Coalition (NOAC). **NOAC is comprised of the Cities of Maumee, Northwood, Oregon, Sylvania, Perrysburg and Toledo, Perrysburg Township, the Villages of Holland and Ottawa Hills, the unincorporated areas of Lake Township and all other unincorporated areas of Lucas County represented by the Board of Lucas County Commissioners.**

Your community, through NOAC, has researched its options for competitive natural gas prices and has chosen IGS Energy of Dublin, Ohio as its supplier for natural gas for this program.

Opt-Out Program: The rate associated with this opt-out aggregation program will be a variable rate that changes monthly and is guaranteed to save compared to Columbia’s rate. Each month’s price will be determined by taking the applicable monthly New York Mercantile Exchange (NYMEX) settlement price of natural gas plus \$0.131 per ccf through your March 2013 billing period. This NOAC aggregation rate compares to and is lower than the Columbia commodity rate of NYMEX plus \$0.153 per ccf. There are no fees to participate in this program; however, you will still pay Columbia’s transportation, delivery, and customer service charges. Please see the enclosed Terms and Conditions for full details.

If you do nothing, you will automatically continue on your community’s opt-out government aggregation program as described in the enclosed Terms and Conditions. If you choose to cancel or “opt-out” of the program, you must return the attached opt-out card by **September 14, 2012** and check the box indicating you do not wish to participate. You may also opt-out by calling IGS Energy by this date, toll free at 1-800-280-4474.

I wish to opt out of the NOAC Natural Gas
Governmental Aggregation Program.
Opt-Out Form: NOACCOH-12-OPTOUT

(Check box to opt out.)

No change in your gas service from Columbia will occur. Columbia will remain your natural gas utility and will continue to deliver the gas to your home. All billing and meter readings will still be performed by Columbia. You will see an indication on your bill that states your natural gas is supplied by IGS Energy (NOAC). Any current Columbia billing options, such as budget billing or automatic withdrawal, will remain intact. Columbia will also be your contact if you ever smell gas or have other problems with your gas service.

The PUCO has taken careful steps to ensure that the rules governing Ohio’s deregulated utility environment are safe for consumers. In doing so, you can be assured that your participation in the program will result in absolutely no change in the level of service that you have come to expect from Columbia. Columbia will continue to maintain the distribution system that pipes the gas to your home. The only difference is that your gas supply will come from a very reliable natural gas marketing company, IGS Energy.

Please thoroughly review the enclosed terms and conditions of this offer. If you have any questions, call IGS Energy toll-free at 1-800-280-4474 from 8:00 a.m. to 8:00 p.m. Monday through Friday and indicate that you are a consumer in a NOAC Community. You may also visit www.IGSEnergy.com. IGS Energy has trained representatives ready to answer any questions. You can also find out more information about the deregulated natural gas industry by visiting the PUCO website at www.puc.state.oh.us or calling at 1-800-686-7826.

IF YOU DO NOTHING YOU WILL AUTOMATICALLY CONTINUE IN YOUR COMMUNITY NATURAL GAS AGGREGATION PROGRAM THROUGH YOUR MARCH 2012 BILLING PERIOD. IF YOU WISH TO DISCONTINUE YOUR PARTICIPATION IN THE PROGRAM YOU MUST RETURN THE ATTACHED OPT-OUT CARD OR CALL IGS ENERGY AT 1-800-280-4474 TO CANCEL.

Thank you for your participation in your community’s Governmental Opt-Out Natural Gas Aggregation Program.

Sincerely,

IGS Energy and the individual communities of the Northwest Ohio Aggregation Coalition (NOAC)

Natural Gas Governmental Aggregation Program
PO Box 9060
Dublin, Ohio 43017-0960

Term: The community's opt-out government aggregation program (the "Program") and my service with Interstate Gas Supply, Inc. (elsewhere referred to as "IGS Energy" and the consumer will be referred in the first person, "my", "me" or "I") as my supplier on the Program will begin within one to two billing cycles after my enrollment or rate change is confirmed with the utility company and shall continue through my **March 2013** utility billing cycle, unless notified otherwise. IGS Energy will supply the commodity portion of my natural gas and Columbia Gas of Ohio will be my Natural Gas Distribution Company ("NGDC"). I can contact the IGS Energy choice department by phone at 1-800-280-4474, by fax at 1-800-584-4839, in writing at P.O.Box 9060, Dublin, OH 43017, or through their web site at <http://www.igsenergy.com>.

Regulatory: The NGDC's choice program and the government aggregation for my community are subject to ongoing Public Utilities Commission of Ohio (PUCO) jurisdiction, and I understand that if the choice program or this Program is terminated, this Agreement may be terminated, without penalty to either party.

Price: My price will be calculated each month by taking the applicable Nymex monthly settlement price and adding \$.131 per ccf through my **March 2013** billing cycle. I will be responsible for all applicable taxes and all charges assessed by the NGDC for gas transportation and all other applicable charges and adjustments for delivery of gas including any applicable switching fees that may apply under the NGDC tariff.

Renewal: If my community's governmental aggregation continues, at least every two years from the establishment of this Program the government aggregator or its supplier shall provide me notice of my right to opt out of the aggregation without penalty. The process for providing me with notice of my right to opt-out shall include a provision for me to return a post card or similar notice to the governmental aggregator or the supplier. I will have at least twenty-one days from the post mark date on the written notice to choose to opt out of the Program, and my return post card or notice that is post marked before the opt out deadline has been timely sent. The notice will follow the procedures established for the initial opt-out notice set forth in this rule and shall prominently disclose to customers all changes to the terms and conditions associated with the aggregation. I am entitled to opt-out of the government aggregation program at least every two years from the commencement date of the Program, without a penalty. If I am in the Program when the Program is renewed and I do not exercise my right to opt-out, I will be continued in the Program.

Rescission Period: I will have 21 days from the post mark date of my opt-out notice to exercise my right to opt-out of my community's Program. If I do not opt-out of the Program, IGS Energy will submit my enrollment to the NGDC and if I am new to the Program or a new customer to IGS Energy will have 7 business days from the post-mark date of the confirmation notice sent by the NGDC to rescind my enrollment. I can rescind my enrollment by contacting the NGDC in writing or by telephone at the number provided on the confirmation notice within that 7 day period. Otherwise, I can cancel this agreement as detailed below.

Cancellation: Either party can cancel this Agreement within the first 30 days of enrollment with IGS Energy by providing the other with notice of cancellation, with no cancellation fee. At any other time either party can cancel this agreement with notice to the other, without a cancellation fee. Cancellation notices provided after the NGDC deadline may result in additional month(s) of service beyond the cancellation notice date, as the effective date of all cancellations are subject to NGDC guidelines and I agree to continue to pay for my service with IGS Energy for all periods billed with IGS Energy. I understand that if I switch my service to another supplier or back to the NGDC an NGDC switching fee may apply under the NGDC's tariff and the NGDC may charge a price other than the NGDC commodity rate.

Contact and Dispute Resolutions: In the event of a billing dispute or issues regarding volume or metering, I should contact the NGDC at the number listed on their bill. For other questions or concerns about pricing, I can contact the IGS Energy choice department by phone weekdays from 8:00 a.m. to 8:00 p.m. EST at 1-800-280-4474, by fax at 1-800-584-4839, in writing at P.O. Box 9060, Dublin, OH 43017, or through their web site at www.igsenergy.com. Also, I can contact IGS Energy through e-mail at choice@igsenergy.com. If my questions or concerns are not resolved after I have called IGS Energy, or for general utility information, residential and business customers may call the Public Utilities Commission of Ohio (PUCO) toll free at 1-800-686-7826 or for TDD/TTY toll free at 1-800-686-1570, from 8:00 a.m. to 5:30 p.m. weekdays, or visit the PUCO website at www.puco.ohio.gov. The Ohio Consumers Counsel (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted toll free at 1-877-742-5622 from 8:00 a.m. to 5:00 p.m. weekdays or visit www.pickocc.org.

Billing: For my convenience I will receive only one bill, which will be issued by the NGDC each month and will contain IGS Energy's gas price plus applicable taxes and all of the NGDC's transportation and other applicable charges, including any late fees assessed by the NGDC. I agree to continue to pay the NGDC for the entire gas bill under the NGDC's payment terms and conditions. If I pay under the budget bill payment plan, I understand that this service is available and will remain available. IGS Energy reserves the right to issue an invoice to me directly, such invoice would contain IGS Energy's gas price and may also contain applicable taxes and all of the NGDC's transportation and other applicable charges. If IGS Energy invoices me directly and I fail to pay within the terms specified on the invoice(s) a late fee of 1.5% per month on all past-due

amounts will apply. If IGS Energy bills me directly for services provided, IGS Energy may terminate this Agreement with fourteen (14) days written notice should I fail to pay the bill or meet any agreed-upon payment arrangements. If I fail to pay my invoices timely which include IGS Energy charges, the NGDC may disconnect my service, according to tariff guidelines. I may request, at no charge, up to 24 months of my payment history for services rendered by IGS Energy. Other than for operation, maintenance, assignment and transfer of my account or, where IGS Energy is performing billing services, or for commercial collections, IGS Energy will not disclose my account number to any other third party without my affirmative written consent or electronic authorization or pursuant to a court or Commission order and that, other than for credit checking and credit reporting, if IGS Energy is performing billing services, IGS Energy will not disclose my social security number without my affirmative written consent or pursuant to court order. I authorize IGS Energy to obtain my billing payment and usage history from the NGDC.

Assignment: This contract is assignable by IGS Energy without my consent subject only to required regulatory approvals. IGS will use its best efforts to give the NGDC and me thirty (30) days written notice prior to any assignment.

Moving/Termination: I understand that this contract will automatically terminate, without penalty, if I relocate outside my community aggregation Program boundaries, or if the requested service location is not served by the NGDC. Also, I understand that I have the right to terminate this Agreement, without penalty, if I relocate inside the NGDC service territory and the NGDC does not have contract portability and if IGS Energy agrees to allow me to continue. In such instances, I would have to enroll with IGS Energy under a new agreement, as this Agreement is only valid for opt-out government aggregation. I understand that I am not entitled to the pricing or service from IGS Energy hereunder at my new location until such time as the NGDC accepts my enrollment with IGS Energy at my new location and/or transfers my contract to my new location and that the pricing hereunder will not be extended for additional months that I was not with IGS Energy, unless agreed to in writing by IGS Energy. Except as provided in this Agreement, If IGS Energy returns me to the NGDC's sales service, this Agreement will terminate without penalty to me.

Eligibility / Limitation of Liability / Jurisdiction: This Agreement is for residential and small commercial customers that use 5,000 ccf a year and are otherwise eligible for opt-out government aggregation programs. IGS Energy and my community shall use its best efforts to ensure that only eligible customer accounts within its governmental boundaries and customers who have not opted out are included in its aggregation. If ineligible accounts, accounts from outside of the governmental aggregator's governmental boundaries, or accounts for customers who opted out of the aggregation are switched to the governmental aggregation, as soon as IGS Energy is aware of such event the governmental aggregator (or IGS Energy) will promptly contact the NGDC to have the customer switched back to the customer's former supplier, and will pay any switching fee imposed by the NGDC for such switch. Participation in the program is subject to the rules of the NGDC and the rules established in Ohio Administrative Code 4901:1-28. Customers are sometimes terminated or not enrolled in the program due to NGDC issues. In such instances, I can contact the NGDC to correct the problem and be reinstated or enrolled in the Program. Regardless of the reason for termination, in no case will the original term be extended for months that I was unable to participate nor will IGS Energy have any liability for any early termination or for any months that I was unable to participate in the Program. IGS Energy assumes no liability or responsibility for losses or consequential damages arising from items associated with the NGDC including, but not limited to: operations and maintenance of their system; any interruption of service; termination of service; or deterioration of service, nor does IGS Energy assume responsibility or liability for damages arising from any in-home or building damages and in addition shall not be responsible for any indirect, consequential, special or punitive damages whether arising under contract, tort (including negligence or strict liability) or any other legal theory. The parties agree that if the customer is unable to resolve its issues through the PUCO as detailed under "Contract and Dispute Resolution" above or if suit is filed, any legal action involving this Agreement shall be brought only in a court of the State of Ohio sitting in Franklin County, Ohio or the United States District Court sitting in Franklin County, Ohio. I submit to the personal jurisdiction in such courts and irrevocably waive any objections that I have or might have in the future to such courts as the proper forum for any and all actions arising under this Agreement. The parties agree that this Agreement shall be interpreted under the laws of the State of Ohio, regardless of Ohio's choice of law provisions. IGS Energy may from time to time use your name, address and NGDC account number to provide additional offers to you. If you would prefer that IGS Energy not contact you with additional offers please contact and let us know at 1-800-280-4474. IGS does not sell or provide any of your personal information to any third party.

I understand that I am not entitled to the pricing or service from IGS Energy hereunder at my new location until such time as the NGDC accepts my enrollment with IGS Energy at my new location and/or transfers my contract to my new location and that the pricing hereunder will not be extended for additional months that I was not with IGS Energy, unless agreed to in writing by IGS Energy. Except as provided in this Agreement, If IGS Energy returns me to the NGDC's sales service, this Agreement will terminate without penalty to me.

Eligibility / Limitation of Liability / Jurisdiction: This Agreement is for residential and small commercial customers that use 5,000 ccf a year and are otherwise eligible for opt-out government aggregation programs. IGS Energy and my community shall use its best efforts to ensure that only eligible customer accounts within its governmental boundaries and customers who have not opted out are included in its aggregation. If ineligible accounts, accounts from outside of the governmental aggregator's governmental boundaries, or accounts for customers who opted out of the aggregation are switched to the governmental aggregation, as soon as IGS Energy is aware of such event the governmental aggregator (or IGS Energy) will promptly contact the NGDC to have the customer switched back to the customer's former supplier, and will pay any switching fee imposed by the NGDC for such switch. Participation in the program is subject to the rules of the NGDC and the rules established in Ohio Administrative Code 4901:1-28. Customers are sometimes terminated or not enrolled in the program due to NGDC issues. In such instances, I can contact the NGDC to correct the problem and be reinstated or enrolled in the Program. Regardless of the reason for termination, in no case will the original term be extended for months that I was unable to participate nor will IGS Energy have any liability for any early termination or for any months that I was unable to participate in the Program. IGS Energy assumes no liability or responsibility for losses or consequential damages arising from items associated with the NGDC including, but not limited to: operations and maintenance of their system; any interruption of service; termination of service; or deterioration of service, nor does IGS Energy assume responsibility or liability for damages arising from any in-home or building damages and in addition shall not be responsible for any indirect, consequential, special or punitive damages whether arising under contract, tort (including negligence or strict liability) or any other legal theory. The parties agree that if the customer is unable to resolve its issues through the PUCO as detailed under "Contract and Dispute Resolution" above or if suit is filed, any legal action involving this Agreement shall be brought only in a court of the State of Ohio sitting in Franklin County, Ohio or the United States District Court sitting in Franklin County, Ohio. I submit to the personal jurisdiction in such courts and irrevocably waive any objections that I have or might have in the future to such courts as the proper forum for any and all actions arising under this Agreement. The parties agree that this Agreement shall be interpreted under the laws of the State of Ohio, regardless of Ohio's choice of law provisions. IGS Energy may from time to time use your name, address and NGDC account number to provide additional offers to you. If you would prefer that IGS Energy not contact you with additional offers please contact and let us know at 1-800-280-4474. IGS does not sell or provide any of your personal information to any third party.
