MEMORANDUM IN SUPPORT OF MOTION FOR AN EXTENSION OF CERTIFICATE EXPIRATION DATE

Perimeter did not file its renewal application for certification as a competitive retail

natural gas supplier by the August 10, 2012 renewal date due to a clerical error. Perimeter is

filing its renewal application simultaneously with this Motion in the captioned case. The reason

for the delay was an inadvertent clerical calendaring error missing the filing deadline of 30 days

prior to the September 9, 2012 expiration date.

In order to provide the PUCO with the requisite 30 days to review the renewal

application, Perimeter request that its current certification be extended until September 23, 2012.

Perimeter has corrected the error and will diligently comply with future deadlines. In

addition, Perimeter maintains that this extension will not prejudice any party.

WHEREFORE, Perimeter respectfully requests that the Commission grant its Motion for

Extension of Certification Expiration Date.

Respectfully submitted,

Juan Jose Perez (0030400)
